## SHS First Scholarship Awardee Pays it Forward

*By Tracy Duerst '79 and  
Emily Palmer '96*

Recently we received a \$500 donation to our scholarship fund from Emily Wallace Palmer, Class of 1996. Emily was the very first recipient of the SHS Alumni Association scholarship back in 1996. She was awarded \$100 after graduation in 1996.

After graduating from SUHS in 1996, Emily studied Journalism & Communication at the University of Oregon. She specialised in Advertising, competed on Ad Team and sold advertising for the Oregon Daily Emerald, the daily newspaper on campus. While at UO, Emily did internships at Eugene Weekly and The Register-Guard, as well as worked jobs on campus, including Resident Assistant in the dorms.

She tapped into her heritage, choosing to study Swedish and earning a minor in Scandinavian studies. In 1997 she won a Vasa-sponsored trip to Sweden and has returned many times since, including a trip this June with her mother, Kirsten, around Sweden and Norway.

When Emily graduated in 2000, she moved to San Francisco to work for Saatchi & Saatchi, an advertising agency. In 2001, the burst of the dot com bubble forced the doors of the agency closed and Emily to reevaluate her plans. Leveraging her experience sell-

ing advertising in college, Emily went to work for The Examiner and later Contra Costa Newspapers. She tried a year of real estate sales, which wasn't to her liking, despite having been around real estate since her days at Silverton Realty, where she helped out on Saturdays during high school.

In 2006, it was time to focus on new media. Emily went to work in digital advertising, enjoying the innovation of startups and ad tech firms including Kontera (since acquired by Singtel via Amobee) and MediaMind (now Sizmek). In 2011, she got started in programmatic advertising, which leverages technical connections and data to drive efficiencies in advertising, and has been hooked on the fast pace ever since. Since 2014, Emily has been Head of Programmatic, EMEA at Thomson Reuters, leading programmatic advertising strategy and commerce for Reuters.com and news apps. She speaks regularly at industry events.

Emily lives in London with her English husband, Neil, whom she met in San Francisco. Eating delicious food, checking out cool places in East London, travelling and spending time with friends are activities that rank high on her list. To give a bit back to her community, Emily participates in Reading Partners, a weekly reading session with 6 year-olds who benefit from individual attention to improve reading, comprehension and confidence. She sits on the board of a charity, Black Women's Health &

Family Support, which provides support and a sense of community, as well as campaigning against FGM.

Thanks to a strong foundation built at SUHS, from honours classes that earned college credits, speech team that gave her an early start on public speaking, and sports and other extracurriculars that taught team work and discipline, Emily is able to handle what life throws at her and also confidently create the life she wants.

Emily is hoping to inspire other scholarship recipients to give back as she has. In addition to her donation, she participated in her company's charitable giving program in which Thomson Reuters matched her donation bringing the total to \$1,000.

We encourage Alumni to check with their employers, as Emily did, to inquire about participating in employer matching charitable giving programs if offered.

## Found at the Fundraiser

One bracelet and an earring were left at the Fundraiser. Contact Tracy Duerst, [djduerst@aol.com](mailto:djduerst@aol.com) or 503-873-8441 to identify your lost item.

Also, if you left your reading glasses in 2015, we have two pair unclaimed.

## President's Message

By David Zagorodney '79

And once again the leaves begin to turn, the long days of summer are behind us and good ol' Silverton High School is back in session.

What a whirlwind summer we had. As you begin to get ready for the holidays and your end of year giving, please keep our Alumni Association in mind when you think about end of year tax deductible donations. Last spring we were able to use these donations to distribute dozens of scholarships to our Graduating Seniors as well as a few awards to returning college students.

Your Alumni Association's single purpose is to be able to award deserving college bound students, a leg up in off-setting some of the costs of attending college. *You* make that possible.

If you would like to participate in what we are doing, you are always welcome at our 3rd Tuesday of the month Alumni meetings and of course our annual fund raiser at the Festhalle in Mount Angel. Save the date for next year on the 4th of August 2017.

Here's wishing each of you a festive Holiday season and a Happy New year.

Cheers,

David Zagorodney, Class of '79

## Editor's Message

By Judy Nunn '60

At our meeting just prior to publication, David resigned as President due to responsibilities from his job and new location. Tia stepped up as President, and Marlin was elected Vice President.

We are looking for another Trustee. Please contact any of our officers listed on pages 2 & 3 if you are interested in filling that position.

We are also looking for someone who is knowledgeable in Microsoft's Access® program. Our database is housed in Access® and we need to make some changes. Our former "guru" is no longer available for assistance.

We are looking for information from those who have been awarded scholarships. Have you completed your education? Did you accomplish your goal? Where are you now? We'd like to hear your story as Emily has reported her success. Send it to the Editor, Judy Nunn at Nunnjk@comcast.net.

## Get Involved!

Please join us at our monthly meetings. We'd like to see more input from the classes in the 1970, 1980 and 1990's. We meet the 3rd Tuesday of the month, except for August & December. Complete schedule for 2017 is on page 15.

## Alumni Scholarship Fundraiser Results

*By Judy Nunn*

SHSAA had another successful Fundraiser with dinner catered by the Wooden Nickel and a silent auction on August 5, 2016. Attendance was down, but spirits soared.

The silent auction brought in over \$3,111. Cash donations prior to the fundraiser brought in \$1,755. There will be expenses (food, advertising, hall rental, etc.) to be paid from those monies.

The Raffle prize was a "Dine Out in Silverton". Marcia and Mason Branstetter donated several Gift Cards from restaurants in Silverton. Kay Jury was the winner on that drawing.

The 50/50 drawing brought in \$440. The lucky winner was Lowell Kuenzi (\$220), but he quickly turned the money back as a donation to the SHSAA. We thank him for his generosity.

The other challenge we had was for the first of each class to buy a ticket to the fundraiser to vie for an afghan, made by Judy Nunn. Of course it was orange and black! As the fundraiser tickets were sold, the first in each class was noted. That person was then entered into the drawing. There were 32 different classes represented by the purchasers of the tickets. Richard Hoblitt was the lucky winner, representing the class of 1962.

Randy Pflaum was the winner (again) for the Condo in Sunriver. He won a 3-night stay at the condo.

The Almquist portrait was won by Ken Hector.

Remember this is an annual event. So set your smart phone's calendar for August 4, 2017. Watch the airlines for bargain rates, and come join us next year. If your class

is planning a reunion for 2017, encourage them to hold it with us that night. You won't have to rent a place, plan a meal, or even collect the money to attend — SHSAA does the planning so YOU don't have to! Put your money to work for scholarships.

## Thank you!!

The Silverton High School Alumni Association held a Silent Auction at their Annual Fundraiser for alumni and friends on August 5, 2016. The SHSAA Fundraiser was

held at the Festhalle in Mt. Angel. The SHSAA Board of Trustees sends a tremendous "thank you" for allowing us

to hold our Fundraiser at their facility. We hope to have a continuing relationship.

In addition to items donated for the Silent Auction, many in-kind and cash contributions were received. We had over 101 donors with more than 152 Items for Auction Bidding.

As a result of the tremendous support from the greater Silverton business and academic community, the Silent Auction raised over \$3,111 to help support the Scholarship Program for the graduating seniors of SHS. Additional cash donations in lieu of items donated for the auction totaled \$1,755. Our 50/50 and drawing awarded \$220 to SHSAA and \$220 to ticket-holder Lowell Kuenzi. Lowell received a round of applause as he turned the money back to the Alumni Association. The SHSAA desires to provide special recognition and a heartfelt thanks to the following persons and

We have been having a good turnout for our class brunch. Everyone seems to be enjoying visiting and eating. If you haven't attended you are missing out.

We meet the second Wednesday at the Home Place at 10:30 a.m. We look forward to seeing you there.

Want more information? Call Nellie at 503-874-4698.

## In Memoriam

This column is to pay tribute to fellow students, parents and teachers. This is not a "recent" list necessarily. We will print names others have submitted, and the actual recent losses we note from the newspapers and word of mouth.

*If you've lost a loved one or know of someone who should be listed, please let us know.*

Many times we receive a note that one is deceased, but no date given. If you can assist with any **incomplete dates**, we at the Alumni Association would greatly appreciate your help. Information should be sent to the Editor of this Newsletter, Judy Nunn (contact info on page 3).

Larry Kassell - 6/11/16 - Larry did not attend Silverton High, but as an artist he created the Fox logo we use on the front of our Newsletter. He also wrote two books about Silverton.

## Calling All Alumni!!

By Tracy Duerst

We need volunteers to help continue the mission of the Alumni Association. The Silverton High School Alumni Association awards thousands of \$\$'s of scholarships each year to help our students further their education. We need your help to continue to grow our Association and increase our scholarship funds.

This is a great way to get involved and make a difference in your hometown, even if you no longer live in Silverton. Most positions only take a few hours per month and can be performed from home if you have internet access. Here is a list of areas in which we need help:

- Trustees and Officers
- Finance Committee Members
- Volunteer Recruiter
- Website maintenance
- Facebook management
- Assistant Newsletter Editor
- Alumni Access Database
- Management & Maintenance
- Fundraiser help
- Homecoming parade and
- Activities chair
- High School Display Case

If you or classmates you know have the skills to help in these areas, please let us know and we can provide more information on the specific tasks involved. If you are interested in one of these positions, please contact one of our Trustees or Officers.

"Many hands make light work"! Although this list may seem large for our organization, we have thousands of SHS Alumni, and many with the skills that would truly benefit our organization.

Please consider volunteering to help us ensure the Alumni Association continues to grow for future generations!

## Class '56 Reunion News

Nellie Graves, Class Rep

If you didn't attend our 60th Class Reunion, you missed a good time. Lots of good food, visiting and catching up on classmates we hadn't seen in a long time.

Marcella made a wonderful poster with pictures of classmates on it. It was about 4' x 4'; a very impressive poster.

Barbara made a nice book with pictures of the deceased classmates including information about them on it. There were 40 total. We had 40 seconds of silence to remember them.

Peggy and Nora made real nice name tags.

Beauford handled the money. He did an excellent job of keeping the records.

We are in the planning stages of having an 80th birthday party, as most of us will be 80 in two years. Watch the Alumni News for more information.

## WANTED: Yearbooks from 1960's, 70's & 80's

There are many Alumni that missed out on the opportunity to purchase a yearbook while in school. There are others who no longer have their yearbooks for various reasons and wish to obtain one. The SHS Alumni Association has a supply of yearbooks for sale, however there are many requests for books that we do not have.

Those requests have been added to a wait list which continues to grow. If you have a yearbook that you no longer want please consider donating it to the Silverton High School Alumni Association. Donations will be accepted at the alumni office at 303 Oak St., Silverton. We will sell the yearbooks with the proceeds to be used for scholarships.

Please contact Tracy at [djduerst@aol.com](mailto:djduerst@aol.com) or 503-873-8441 if you have any questions or wish to be added to a wait list for a yearbook.

## Attention Classes Planning Reunions

Is *YOUR* class planning a reunion for 2017? Check the list on page 3 of this newsletter! There is no charge for publishing these articles.

Many classes have a reunion every five or ten years. We have been working with class reps to update addresses for all alumni.

One of the services the Silverton High School Alumni Association provides is a mailing list for your use. *But we need your help in keeping it up-to-date.* Request your class address listing from the Alumni Association and compare it with yours, and we can help figure out who has the most recent addresses. We can also publish a list of missing classmates in the newsletter. Two are listed in this newsletter. If you recognize any in those lists, please contact either the rep listed within the article, or SHSAA (see below).

If you provide us with the current addresses for your class, we in turn send out a newsletter to all your classmates. Paid membership is \$5.00 per year, but we send complimentary copies to those who are having reunions in the current year. Included in every newsletter is a membership form.

**Want to make it easier to hold a reunion?** Plan your reunion for the same date as our Alumni Fundraiser and meet with us. SHSAA arranges the venue and sells the tickets. All you have to do is invite your classmates, and that is also part of this newsletter. Check out the Fundraiser information on pages 10-11.

Why spend your time looking for just the right restaurant or planning a banquet and having to collect the fees? By holding your reunion as part of our Alumni Fundraiser dinner, you will see folks from other classes in addition to your own.

SHSAA sells the tickets, and all you have to do is attend and enjoy yourself and your classmates.

Your attendance also helps SHSAA raise money for scholarships. As you'll see in the Fundraiser information pages, we hold a silent auction. Local merchants and businesses donate merchandise and/or gift certificates for our silent auction. Handmade items from SHS Alumni add to the silent auction.

Many classes like to meet with "just their class", so we suggest a picnic at the park or at someone's home the next day. There's not much to plan for that part.

Contact Judy Nunn, 4728 Jade St. NE, Salem, OR 97305-3138. Email address is:

**Nunnjk@comcast.net** or you can mail a printed list. Email is encouraged, faster, easier, and cheaper! Please put "alumni" or "reunion" and your class year in the subject line. The deadline for articles for the June 2017 issue is April 18, 2017.

## Attention '65 Grads

## History of SHS

By Judy Nunn

*Note: The following is a modified version of the article first printed in the June 2007 issue of Silverton Alumni News.*

In researching the history of Silverton High School, I was allowed to read a book by Minnie Engeman. She did a fantastic job of documenting all the buildings. The pictures in the display are taken from the book. In order to tell the history of the high school, I felt the grade schools had to be included.

The first Silverton public school was a 2-room, 2-story building started in 1862. There were 96 school age children in the district. About 1889 the pupils overflowed the schoolhouse. The building was sold in 1890 and moved to the corner of Park and First Streets, where the building remained until the land was needed for a high school building in 1907. The 2-story building is still standing, located at High and 3rd Streets, and known as the MWA Hall. Many square dances were held there in the late 40's and early 50's. The building is owned by the Modern Woodworkers Association. In 1890 a six room school building was completed for fall term. The building was named Emerson by

the P.T.A. when they named other school buildings in 1922. In 1907, a six room high school, later named Washington Irving, was erected. 1913-1914 school year the enrollment was 89 for the high school.

According to Minnie Engeman's book, "History of Silverton Public Schools" (new edition 1996), Eugene Field was built affronting North Water Street. Eugene Field School was ready for use in May 1922 according to the historical booklets we have in the district office. The first phase consisted of eight classrooms, the gym, library, office, etc.

In August of 1921, Emerson School was moved to the corner of First and A Street to make room for the construction of Eugene Field School. Emerson School burned to the ground during Christmas vacation in 1924. In 1915 the new high school was erected on First Street between Park and A Streets, next to the Washington Irving Building. This was known to many as the "new high school". In 1916 the school system had an enrollment of 642 students, 145 of which were in the high school. The high school on Schlador Street was built in 1939 for grades 9 through 12. 7th and 8th grades were in the 1915 building,

with grades kindergarten through 6th grade in Eugene Field.

In 1955 Mark Twain replaced the old Junior High (1915 building). Robert Frost school was built in 1971 for grades four to six. For the school year of 2006-07, Eugene Field held grades Kindergarten through third grades, Robert Frost fourth through sixth grades, Mark Twain seventh through eighth grades, the Pine Street Campus for 9th grade freshmen, and Silverton High School grades 10 through 12. The Washington Irving building and the 1915 building were torn down and the First Christian Church occupies that ground today.

In summary, the Washington Irving Building was the first high school. The second one was the 1915 building, which later became the "Junior High" when the Schlador Street high school was built. Who named the schools? Why authors? One theory is that the book "Winkin, Blinkin & Nod" was quite popular when the grade school was built. Eugene Field was the author, so the P.T.A. named the school. Note that all grade schools are named for authors; the high school remains unnamed.

If you would like a copy of the article from June 2007, you can download and print it from our website [www.shsfoxes.com](http://www.shsfoxes.com).

*Addendum: More changes have been made this 2016-17 school year. Eugene Field closed in June 2016. Mark Twain now holds grades K-2, Robert Frost grades 3-5. Modular buildings established at Schlador St. hold grades 6-8 and the school is named "Silverton Middle School". Silverton High School is on Pine Street and holds all four years, 9-12.*

## Ways to Give to SHS Alumni Association

*By Creative Planning, Inc.*

You may have heard that some of the world's biggest billionaires like Bill Gates, Warren Buffet and Mark Zuckerberg have committed to The Giving Pledge, a pledge to commit to giving more than half of their wealth to philanthropy or charitable causes either during their lifetime or in their will.

While most Americans can't give the sums of money that the billionaire pledgers can, we can use many of the methods they use to give to charitable causes we are passionate about. The following are some ways to give gifts both during your lifetime and after:

### Bequests and Estate Plan Gifts

You may make a bequest or gift through your estate by including a provision in your will or living trust, or by naming SHSAA as a beneficiary of a retirement plan or life insurance policy. The amount left to SHSAA can be expressed as a dollar amount or as a percentage of the assets to be given.

### Life Income Gifts

A life income gift allows you to give assets to SHSAA while providing yourself or others with income for a period of time before SHSAA can use your gift. You may make a life income gift by transferring securities, cash, or other property to SHSAA or a trustee. The SHSAA or trustee then manages the investment of the assets and pays an income to you, your designated beneficiaries, or both. Income payments continue for the beneficiaries' lives or, in some cases, for a term of up to 20 years. Some examples include charitable gift annuities, charitable remainder unitrusts, and charitable remainder annuity trusts.

### Other Types of Gifts

Donors can also establish Charitable Lead Trusts. Unlike the Life Income Gift vehicles, a charitable lead trust makes an annual payment to SHSAA for a period of years, and at the end of the term, the remaining assets go to your children or other beneficiary.

These are just some examples of ways to give. As always, you should consult a tax and legal advisor for the type of gift that best suits your circumstance. You can also contact SHSAA Treasurer, Tracy Duerst, at [djduerst@aol.com](mailto:djduerst@aol.com) for more information.

## Class of 1952

*By Mary Ann Miles '52*

We had a good turnout at our annual August picnic at the home of Jody and Ted Debacon. We enjoyed good food and good visits. We also continue to have good attendance at our monthly lunches on the first Friday of every month. Our next lunch will be December 2, 2016 at 11:30 am, at Seven Brides on First Street just past Roth's in Silverton.

Please set aside Friday, August 4, 2017 for the Silverton High School Alumni Association Annual Scholarship Fundraiser and Saturday, August 5, 2017 for our annual reunion picnic at the home of Jody and Ted Debacon. We will be celebrating our 65th reunion in 2017, so please let us know if you have any ideas for our reunion. Check your email or we will call you with more information later.

Also please keep us updated on your current mailing address and email address so we can keep you informed on what we are doing. You can always call Donna or Mary Ann; you know where to reach us! Hope to see you soon.

## Class Of '62 Planning 55th Reunion

*By Georgie Johnson*

We will launch our 55th Reunion in 2017 on the night of the SHSAA annual fundraiser, Friday, August 4th. See dates and application elsewhere in this newsletter.

Reservations and cost for the fundraiser will be handled directly through SHSAA. The form is included in this issue on page 10.

Let Georgie know if you will be attending, so a place at the Class of '62 tables will be held for you. 503/873-4399, 503/510-0212 (cell, text if you like), email: [Lgjohnson62@frontier.com](mailto:Lgjohnson62@frontier.com).

The committee is looking for changes of address for any class members who have moved. A second get-together that weekend will be announced in spring and will be held at a class member's home (3 have volunteered) or at Silver Creek Falls. This will be Homer Davenport Days weekend so nothing will be at the Silverton Park.

There's been some interest in a float in Saturday's parade as well. We'll need someone to take charge if you want our class to participate. Watch the June newsletter for more detailed information.

## Projection Screen

The Alumni Association has received a donation of a 40x40 projection screen.

If your class needs a screen for an event/reunion it can be checked out at the SHSAA office, located at Silverton Realty, 303 Oak St.

## Are you a Member?

Your \$5.00 dues help support this newsletter, in addition to adding to the scholarship fund.

Check your mailing label. If it says "complimentary copy", we'd like to invite you to join our organization. **All who attended Silverton High School are alumni, but it takes more than that to become a member of the Silverton High School Alumni Association.**

Our goal is to award each high school graduate a scholarship to help further his or her education.

There's an application and donation form on page 19 of this newsletter. Please join us in our endeavor.

## Is this your year for a Reunion??

We send complimentary copies of the newsletter to all classes holding reunions. If your graduating year ends in 7 or 2, your classmates will receive this December 2016 issue. It's important that we have a current mailing address so we can send the newsletter to you. You wouldn't want to miss *your* class reunion!

Contact your Class Rep (page 16-18) and ask what plans have been made. Maybe you can help with your reunion. If there's no Class Rep listed, perhaps you would step in or gather a few of your closer classmates and form a reunion committee. Let us help you get started by sending you a roster of the addresses we have on file for *your* class.

Of course we encourage you to join the SHS Alumni Association so you continue to receive our Alumni News. Dues are only \$5.00 per year. There's a form inside the back cover of this newsletter.

## When Do We Meet?

Our Alumni Association is getting stronger because of the volunteers who keep it growing. Often we are asked if there is anything that someone can do to help out or attend our meetings. Presently we are looking for someone to assist with data entry - mainly address changes. We also need help with the website that can be done from anywhere in the world.

Monthly meetings are held the third Tuesday at the Silverton Realty Conference Room upstairs at **303 Oak Street and start at 5:00 p.m.** and normally last about an hour. A current schedule can be found on our website: [www.shsfoxes.com](http://www.shsfoxes.com). The schedule is also printed in this issue of the newsletter, page 15. Anyone and everyone is invited to attend the meetings. *Note we usually skip December.*

*Note:* The BBQ Party for volunteers and board members is actually a pot luck by those in attendance. *NONE of the SHS Alumni funds are involved.* So come and join us the weekend of August 4th to the 6th. Join in the fun and help us with the fundraiser on Friday night. Help in the booth in the park any day. All volunteers are welcome to join us for the pot luck on August 15. It will be held at the home of SHS Alumni xx. For more information, contact Mason or Judy.
