## Alumni Fundraiser 2020 - *Cancelled* Class Challenge Still On - See page 11

As of the publication time of this newsletter, we, along with most of the U.S., are in a "Stay Home - Stay Safe" period. Restaurants are closed, all parks, and beaches are closed with the hopes that it will help curtail the spread of the COVID-19. Mainly grocery stores and a few necessary shops and/or stores are open.

Due to the state-wide school closures, we do not have any updated information. Please watch your local newspapers, news on television, Facebook, and our website [www.shsfoxes.com](http://www.shsfoxes.com) for changes and/or cancellations of any school meetings and/or graduation ceremonies.

Most class reunions for 2020 have been cancelled. There's a list by class year on page 9.

### SHS Alumni Breakfast at the Home Place

**\*\* Cancelled \*\***

~~July 8, '20 Wed. 8:30 a.m.~~

~~Nov. 11, '20 Wed. 8:30 a.m.~~

Due to our current situation, we have cancelled the July breakfast and possibly November.

Check with the restaurant prior to Nov. 10; if they are open, we will meet at 8:30 a.m. on the 11th.

Do you have an email address? If so, send it to Judy Nunn and she will send you a reminder. [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net)

## Dr. Peter Loar *Lore*

### Part 1

*By Fred A. Parkinson '71*

*For many years, the students of SHS have been beneficiaries of scholarships from the Estate of Dr. Peter and Marie Loar. Originally, the funds were set up as a loan fund through First National Bank of Oregon to be paid back by the student. Since 1997, the fund, with Wells Fargo as the Trustee and SHSAA selecting the recipients, has provided scholarships that did not have to be paid back. Several months ago, Wells Fargo decided to terminate the trust and transfer the funds to SHSAA thus removing Wells Fargo from the process. As of the date of this newsletter, the termination is in process and documents for the transfer are being prepared. Fred Parkinson, Jr. has done some extensive research on the life of Dr. Loar. The following article gives a history of the early Silverton Doctor and his contributions to the Silverton community.*

Silverton has enjoyed a long history of community involvement by its citizens. This was especially true of Silverton's physicians, those stalwart professionals charged with keeping the good people of Silverton healthy. During the first half of

the twentieth century, three names, in particular, stand out, although there were certainly others of note as well. These three had long records of community involvement spanning nearly half a century each. The first two that come to mind, and certainly noteworthy in their own right, are Dr. Clarence Keene and Dr. Rudolph Kleinsorge. The last of these three came to Silverton in 1910, practicing during the same era as Keene and Kleinsorge. That doctor was Peter A. Loar.

Peter Andrew Loar was born on July 9, 1879 in Betsy Layne, Kentucky, the site of the infamous feud between two families named Hatfield and McCoy. In fact, according to the 1996 Silverton Hospital publication entitled Silverton Hospital, A Service to the Community Forever, Loar was acquainted with descendants of both families. He graduated from the University of Kentucky Medical School in 1903 and then practiced medicine in Pikeville Kentucky for around eight years. He married Betty St. Clair "Clair" Gillespie in 1906 and then moved to Silverton in 1910. The July 15, 1910 issue of the Silvertonian Appeal heralded his arrival in town as coming "highly recommended as a physician and has

### ~~~ UPDATE ~~~

At the time of publication, the coronavirus COVID-19 order to "Stay home - Stay Safe" is in effect. We are hopeful the ban will be ended by July or August, so that we may be able to get together at short-notice reunions and/or a picnic in the park.

Watch your local news, our SHSAA Facebook page and SHSAA website [www.shsfoxes.com](http://www.shsfoxes.com) for updates. For questions, you can contact your Class Rep or the person in charge of your class reunion. See the Reunion Guide on page 9.

*By Judy Nunn '60*

You'll notice we have had some changes in our Officers and Trustees. Welcome to Lem Montoya '74 and Judy Lowery '64. Congratulations to Jean Kent '65 for her moving up to Vice President.

We'd like to see more of you involved in our Alumni Association. If you'd like to serve as a Trustee, please contact our President, Tia Purdy at [Tiapurdy20@msn.com](mailto:Tiapurdy20@msn.com).

Please note: we strive to serve our membership; however, our complimentary reunion year newsletters will not be mailed outside of the Continental U.S. This is a reminder to all, that the SHSAA Newsletter is posted to [www.shsfoxes.com](http://www.shsfoxes.com) for all to read without charge.

We welcome your class reunion announcements. We encourage your plans printed ahead in the December issue for the upcoming year. Many classes ending in 1 and 6 will probably have a get-together in 2021. Class Reps may ask for a listing of their classmates, which I can provide. If you have moved, changed your name or have a new address for any reason, please call me at 503-390-3816 or send me an email at [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net).

**SILVERTON HIGH SCHOOL ALUMNI EXPLANATION AND STATEMENT OF GOALS**

The Silverton High School Alumni Association (Tax ID #20-2021613) maintains a 501(c)(3) tax designation and contributions are tax deductible. The Alumni Association has been created specifically to:

1. develop perpetual funding for Silverton High School student scholarships,
2. become a clearing house for Alumni information by collecting and maintaining a computer data base to assist in class reunion organization,
3. provide Bulk Mail Permit for class mailing (Minimum 250 items),
4. become a holding agency for class funds between reunions, and
5. provide information to Alumni through a semi-annual newsletter.

**President’s Message**

*By Tia Purdy '82*

As I sit here and try to put together my thoughts for this newsletter, I am overwhelmed by what is going on around me and the world. I am filled with thoughts of unknown and fear at times. I know that we will recover in time.

I am saddened for the graduating seniors during this time, and the disappointment that they will not have all the memories of graduation and the excitement that you feel those last few months. The Prom that they are not going to be able to attend, and possibly no graduation ceremony. I remember how endless the excitement was and joy that my classmates and I shared. If you know a graduate, please celebrate them when this is over. Finding a way to give them that joy we all experienced during those last days as a high school student. This is a difficult time for all of us and I would like to hope that the recent Coronavirus is running out of steam by the time this reaches you.

We are working on the scholarship evaluations and preparing to distribute the scholarships for next fall. Our continued support for the graduates and alumni members is not stopping. We, the Silverton High School Alumni, are looking towards the future and the continued support of all students and helping them achieve their goals for their future.

We have had to accept the resignation of Marlin Hutton during our November meeting. Marlin was the Vice President over the last few years. Marlin has been a huge asset to the SHSAA through the years. We will also be missing Carolyn Hutton who has been a wonderful support for the Alumni as well. Without them both we would not be as successful as we are today. Each person, no matter

how big or small that they may feel, are contributing, make a lasting and never-ending impact to our Alumni Association. Thank you both for everything that you have given to us.

The annual dinner and auction scheduled for August 7th has been cancelled for this year. The auction will take place next year on August 6, 2021. We are still having the class challenge this year. You can make donations to your class year. The donation form is on page 11. The class

who has the largest combined donations will have a scholarship named for their class next year. The second and third will also have a named scholarship next year as well. This is a great way to continue to support the Silverton Alumni Association this year in the absence of our dinner fundraiser.

Stay safe and remember we are all a big family and we need each other.

Honorary Diplomas - 2020

The Silverton High School Honorary Diploma Program is a shared effort between SHS and the SHS Alumni Association to acknowledge community members who are not SHS graduates who have made significant contributions to supporting the students of the Silverton community. Recognition is made by presenting an actual SHS Diploma to the person during the graduation ceremony for the current Senior Class. The awardee’s biography is read at the ceremony and a copy is inserted into the Graduation Program. Diplomas are also presented posthumously to recognize significant historical contributors to Silverton youth and their extraordinary Go Foxes Spirit. If you would like to nominate someone, please submit their name along with their Biography by December 1st for consideration. Biographies for the Class of 2020 are detailed below:

**Darlene Fogarty Beyerle**

*Darlene received her Bachelors of Science and Masters of Education from Oregon State University with honors and her Leadership and Administration degrees from Portland State University. She taught as a business educator at North Salem High School, Tillamook High School, and South Salem High School before joining Silverton Union High School.*

*Darlene worked for 31 years in Silverton. Initially she was a business education teacher and FBLA advisor and was involved in student activities at the local and state level for 15 years. She supervised the Business, Industrial Arts, and Fine Arts Departments where she coordinated curriculums, budgets and supervision of staff in the elective programs. In 1990 Darlene joined the Guidance counselor department where she supervised college planning and scholarship programs, department budget preparation and presentation, hiring and coordinating professional development of staff, as well as overseeing the Teen Parent, Natural Helpers and START programs. In 1993 she became Assistant Principal with responsibilities for curriculum development, supervising and hiring staff, and coordinating the Evening school*

*and PASS programs. A unique opportunity and major responsibility at that time was coordinating the design and development of Phase One of the new high school campus with the architect and staff over a period of 3 years. She was the Assistant Principal in the new building and then assumed the role of Principal of the split campuses until retiring.*

*Darlene's commitment to education and the district after retiring included working with the district as a special projects advisor at the administrative level. She worked with the ESD on Crisis Team Responses, as a School and Colleges Accreditation Team Evaluator, on area School Safety Evaluation teams and as a member of the Chemeketa Office Advisory Committee and Regional Educational Reform Presenter.*

*In retirement she enjoys reading and outside activities including gardening, hiking, and traveling.*

**Eileen N Williams**

*Eileen graduated from Maui High School, Kahului, Hawaii in 1962 and received her Bachelors in Education, Oregon College of Education (OCE), Monmouth, Oregon in 1966.*

*While working for the Teaching Research Division at OCE (1968-1970) she researched the interactions of “colors and music” with preschoolers. Her research was instrumental in the creation of “Sesame Street” TV program.*

*Eileen was an Elementary school teacher for 32 years in the Silver Falls School District.*

*After retirement in 2001, she returned to teaching as the District’s Math Teacher on Special Assignment and as an elementary education Math Intervention Teacher. She remains active in education as a tutor/mentor for the After School Activity Program serving 6, 7, & 8th grade students.*

*She served as a Director for the Silverton High School Scholarship Fund (SHSSF) from 1997 to 2008 when that Fund merged with the SHS Alumni Association (SHSAA).*

*She continues her valuable service to the Silverton High School community by assisting in the annual evaluation and selection of many alumni scholarships.*

*As an SHSSF Director and an SHSAA Scholarship Evaluator she has been a key participant in the awarding of over 1,600 scholarships totaling more than \$1,200,000 during the last 20 plus years.*

**Class of '58 - 80th Birthday Party Cancelled**

Due to several factors involving the COVID-19, we have decided to cancel our planned 80th birthday party.

We still need to update contact information for most of our class. Please provide your current address, phone, email, and any information you would like to share with your classmates.

I don't know when, but we will begin having our Thursday morning get-togethers as soon as this nasty virus abates. When that happens and we can safely meet again, we will be meeting each Thursday at 9:00 A. M. at Roth's in Silverton. As soon as we can meet, I will be in touch with each of you for whom I have an email listing.

**No 2020 Birthday Party for '63 Foxes**

*By Darlene Blackstone*

Due to the current uncertainties, the Class of '63 will be celebrating our 75th birthdays separately this year.

Here's an idea. At noon on Saturday, August 8, let's all go outside our houses and sing "Happy Birthday to Us" loudly. Yes, the neighbors will think you've lost it, but hey ... we're 75!

See you in 2021.

You can reach me at 971-301-3970 or email: [63foxes@gmail.com](mailto:63foxes@gmail.com).

**Get Involved!**

We'd like to see more classmates from the 70's, 80's & 90's. Join us at our monthly or annual meeting and bring your suggestions!

Once the COVID-19 has ceased, we will meet at 5 p.m. the 3rd Tuesday of the month at Silverton Realty, upstairs. If you'd like to join our meeting, contact one of our officers on page 2 to confirm the date.

**Class of 1970:  
Our 50th Reunion  
is Postponed until  
August 2021**

*By Darby Hector*

The Class of 1970's 50th Reunion is postponed until August 2021. As a result of the COVID-19 pandemic, the reunion committee feels there are too many unknowns to hold the event this year. If you have any questions please contact Darby at [darby.hector8@gmail.com](mailto:darby.hector8@gmail.com) or Sherry at [hoefelhaus@gmail.com](mailto:hoefelhaus@gmail.com).

**In Memoriam**

This column is to pay tribute to fellow students, parents and teachers. This is not a “recent” list necessarily. We will print names others have submitted, and the actual recent losses we note from the newspapers and word of mouth.

*If you’ve lost a loved one or know of someone who should be listed, please let us know.*

Many times we receive a note that one is deceased, but no date given. If you can assist with any **incomplete dates**, we at the Alumni Association would greatly appreciate your help. Information should be sent to the Editor of this Newsletter, Judy Nunn.

**SHS Scholarship Fund Update**

*By Tracy Duerst, Treasurer*

The SHSAA continues to receive generous donations from our friends, family, businesses and alumni, which is used to provide scholarships for our high school graduates.

Any amount is appreciated! You can easily make donations on our website at <http://www.shsfoxes.com/donate/>. The total of donations **since the December 2019 newsletter** is \$1,370.

Please note these are RECENT donations, and not an accumulative amount. *(For example, if you donated \$500 in October 2018 and another \$100 in December, your donation will only reference category of the December 2018 amount, not a total of the two.)*

**Support SHSAA with a New Tax Deduction**

*By Tracy Duerst*

The recently enacted COVID-19 stimulus bill called the "CARES Act" expands charitable deductions for those individuals who are not eligible to itemize deductions.

For individuals who take the Standard Deduction on their 2020 tax return, you can now claim a new deduction of \$300 in charitable cash donations without itemizing deductions. This allows you to support SHSAA in addition to getting a tax deduction. As with all deductions related to your income taxes, please consult your tax advisor before taking this deduction to ensure you qualify.

**Wanted! Yearbooks from 1960's, 70's & 80's**

There are many Alumni who missed out on the opportunity to purchase a yearbook while in school. There are others who no longer have their yearbooks for various reasons and wish to obtain one. The SHS Alumni Association has a supply of yearbooks for sale, however there are many requests for books that we do not have.

Those requests have been added to a wait list which continues to grow. If you have a yearbook that you no longer want, please consider donating it to the Silverton High School Alumni Association. Donations will be accepted at the alumni office at 303 Oak St., Silverton. We will sell the yearbooks for \$10.00 each with the proceeds to be used for scholarships. Please contact Tracy at [djduerst@aol.com](mailto:djduerst@aol.com) or 503-873-8441 if you have any questions or wish to be added to a wait list for a yearbook.

*Dr. Loar -- continued from Page 1.*

the appearance of being a very desirable citizen.” No finer sentiment had ever proven to be so true concerning Dr. Loar.

Upon his arrival in town, Loar rented the former F. E. Wray house that still stands today on the northeast corner of East Main and Second Streets, and began seeing patients out of his home. By March 1912, he had set up his practice in an office upstairs in the Smith Building over the (then) Brooks and Steelhammer Drugstore on East Main St., which now houses the Towne House lounge. That same year he moved into his newly-built craftsman home at 211 Coolidge Street that would be his residence for the next several decades. In early 1918 he moved his office across the west stairway into a larger office space in the adjacent (then) Ames (now Wolf) building where he would remain until his retirement. The paper noted this change by observing: “The same stairway is used from the street in calling on the doctor, (sic) the difference is when you reach the top turn to the left instead of the right as formerly.” These stairs still provide access to the upper floors of both buildings as they have done for one hundred years.

In mid-1919 a new dentist, Dr. Carl R. Wilson, came to town and took over the office of his predecessor, Dr. Christopherson, across the hall from Dr. Loar. Coincidentally, the Wilsons would eventually take up residence next to the Loars on Coolidge Street and would ultimately raze the old and then build a new home on the same lot. The two families remained good friends for decades until Wilson’s passing in 1958.

By 1919 Dr. Loar had purchased

a large tract of land up in the Silverton Hills that would remain his source of inspiration, enjoyment, and exercise for the rest of his life. One source indicated the property covered 620 acres. There was probably an abundance of timber on the land since the Silverton Appeal reported in the November 14, 1919 issue: “Dr. P. A. Loar expects to begin operations next week in cutting down and clearing off his ranch in the Silverton Hills.” The land was undoubtedly close to the present site of Silver Crest School, since it is situated on Loar Road SE.

Dr. Loar was a man of many interests. During much of his life he was an avid hunter and fisherman. He raised Beagle hounds to assist with hunting wild game. There were numerous accounts of his hunting prowess chronicled in the local newspaper. The September 12, 1919 Silverton Appeal related how Dr. Loar and his frequent hunting partner, J. L. Eidson, would be enjoying venison roasts as a result of bagging a deer in the Abiqua District the previous weekend.

Not content to be merely pursuing deer, one month later, Dr. Loar was in a hunting party with J. L. Eidson and Charles Webb when they found themselves in pursuit, along with six hounds (possibly Beagle hounds raised by Dr. Loar), of a black bear roaming the Silverton Hills. The chase lasted for more than five hours before the bear was brought to bay by the hounds. During the excitement, two other Silverton residents, R. B. Mount and Cal Schlador, were also hunting in the area. Mount was surprised by the elusive bear while sitting on a log, but was too

startled to bring his rifle to bear (pun intended). Near the end of the hunt, the bear was literally “up a tree,” being watched by Mount until other hunters arrived. When Mount went to get a drink of water, the bear slid down the tree and was again chased by the dogs only to come within the sights of Charles Webb, who fired the fatal shot. The paper reported, in a descriptive article of the affair: “The fur is extra fine for this time of year and will be made into a rug. Bear meat was on sale at the Eidson Meat Market the forepart (sic) of the week.”

Dr. Loar was also known to have kept several colonies of bees, both at his home on Coolidge Street and on his ranch in the Hills. One former neighbor remembers the bees having their own room in the Loar basement, from which they could come and go, adding: “the honey was so good!” Dr. Loar had numerous fruit trees in his backyard and an orchard at his Hills property, so it stands to reason that in addition to providing honey, the bees were also used to pollinate the fruit trees. The neighbor related recently that the bees once escaped their basement lodgings, only to find a new home in a tree a half-block from the Loar home. Experienced bee-keeper that he was, Dr. Loar donned his protective gear and promptly brought the wayward hive home.

During his years in Silverton, Dr. Loar pursued numerous interests, both personal and professional. These pursuits coincided with a high degree of civic-mindedness. His long career of professional and community service will be chronicled in Part 2.

### Attention Classes Planning Reunions

Is *YOUR* class planning a reunion for 2020? Check the list at the bottom of this page. There is no charge for publishing these articles.

Many classes have a reunion every five or ten years. We have been working with Class Reps to update addresses for all alumni.

One of the services the Silverton High School Alumni Association provides is a mailing list for your class use. *But we need your help in keeping it up-to-date.* Request your class address listing from the Alumni Association and compare it with yours, and we can help figure out who has the most recent addresses. We can also publish a list of missing classmates in the newsletter. Some may be listed in this newsletter. If you recognize any in those lists, please contact either the Class Rep listed within the article, or SHSAA (see below).

If you provide us with the current addresses for your class, we in turn send out a newsletter to all your classmates. Paid membership is \$5.00 per year, but we send complimentary copies to those who are having reunions in the current year. Included in every newsletter is a membership form inside the back cover.

**Want to make it easier to hold a reunion?** Plan your reunion for the same date as our Alumni Fundraiser and meet with us. SHSAA arranges the venue and sells the tickets. All you have to do is invite your classmates, and that is also part of this newsletter.

Many classes like to meet with “just their class”, so we suggest a picnic at the park or at someone's home the next day. There's not much to plan for that type of get-together.

**NOTE:** Due to the COVID-19 pandemic, at the time of this publication, group meetings are not allowed. We had to cancel our Annual Fundraiser for this year. We plan to begin again in August of 2021.

Contact Judy Nunn, 4728 Jade St. NE, Salem, OR 97305-3138. Email address is: [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net) or you can send your article through the post office. Email is encouraged, faster, easier, and cheaper! Please put “alumni” or “reunion” and your class year in the subject line. The deadline for articles for the December 2020 issue is October 20, 2020.

### Classmates of 1952!!

*By Donna Myers*

The class of '52 want to thank the many men and women working long hours and many days to keep us safe. "We are all in this together".

No luncheons until it is safe to be together again. Please keep phone numbers and addresses up to date.

If you have any questions, please contact Donna Myers at 503-371-1018.

### Class Challenge Can YOUR Class Win?

The SHSAA Class Challenge is still on. Self distancing is also still on. Just add a stamp with the form and your check to make a donation toward the Class Challenge. Be sure to include which class to apply the donation amount.

Details on page 11.

### Display Case at the High School

Due to the current “no school” state-wide order, the Display Case will not be updated until physical school attendance begins. The alumni display theme has yet to be determined.

If you have contributions or ideas for the revolving display, please contact Dori Meyer 503-508-1147 or Verna Thayer 503-581-8231.

### Class of 1979 60th Birthday Party

*By Tracy Miles Duerst*

Next year, 2021 marks an important milestone for many of our classmates in which most of us will be turning 60! It doesn't seem possible that we could be that old, but it seems like a great reason to celebrate and reconnect with our classmates next summer. Share your ideas on how we can celebrate on our Facebook page or email me at [djduerst@aol.com](mailto:djduerst@aol.com) with your ideas.

**The More Things  
Stay the Same...**

*By Judith Lowery '64*

Driving through Silverton these days, you will notice a huge change. Several little shops are not open for business as well as all of our eateries. 'Take Out' only on several signs has become the new normal for our small town, the entire state as well as most other states.

Wondering how the Spanish Flu had impacted Silverton, I did a little research. Since the museum does not have copies of the 1918 Appeal, I used the 1919 edition to see how our town had responded.

The following articles show the many issues that are a striking parallel to today's pandemic. The one article that interested me the most was the one discussing the social gatherings. So many of our local celebrations have been cancelled, schools are closed, we stand six feet apart, we wear masks, and washing hands has become an obsession. The teacher in me causes me to empathize with the students and teachers who have lost their classrooms, which are not just for textbook learning but also for social interaction.

Graduations are such an important part of life and a major step for a student and their families. Not just eighth grade but high schools and university graduations have been cancelled, which will forever change the way this generation remembers their class of 2020.

Hopefully, the lessons to be learned from the past will help us to prepare for the future.

*'Those who do not remember the past are condemned to repeat it.'* George Santayana. *'Our greatest glory is not in never falling, but in rising every time we fall.'* Confucius. We hope all of our friends and families are staying safe and healthy.

Following are two articles from the **Silverton Appeal** from 1919, 101 years ago:

**INFLUENZA RAGES  
FOLLOWING GATHERINGS**

Jan. 3, 1919

*Three Days after Public Gatherings Influenza Breaks Out in Another Wave.*

A careful analysis of all data obtainable in regard to the present epidemic of influenza shows the following striking features, from which most valuable deductions can be drawn in considering control measures:

Three days after an unusual gathering of people there is an increase in the number of cases reported. Thus, every Thursday is high because of Saturday and Sunday minglings; the 28th of December was high following Christmas; the 3rd and 4th of January were high following New Year's festivities. Therefore, dances constitute the greatest number of cases. Dances therefore should be prohibited during the epidemic.

The waves of the epidemic run in about three week intervals. A study of the causes of this and the matter of carriers, indicate that many cases remain carriers for a period of two or three weeks. The greatest number of severe cases during a wave are able to be up and around in about three weeks and are unconsciously spreading the disease causing the next wave.

Therefore, in addition to the ten days quarantine, each recovered case should wear a mask for a period of two or three weeks in the presence of unexposed persons, and all persons coming in close contact with the sick should wear masks. Masks, to be effective, should be sufficiently large to completely cover the nose and mouth. They should have at least eight layers of gauze and should be sterilized after three hours use.

Sterilizing is easily accomplished by dropping the mask in boiling water for ten minutes.

It has been discovered that the disease is being spread to a greater extent than has been realized by utensils used in eating and drinking. Therefore all dishes, cups, glasses, knives, and forks, etc., used in eating or drinking in all public places, and in all private homes or public institutions wherever there are cases of influenza, should be thoroughly sterilized by boiling 15 minutes.

Of 91 physicians, 48 comment favorably on the use of vaccine, especially in preventing the graver complications; some are quite enthusiastic and 46 made no comment.

The report from the Bremerton navy yard, using the same vaccine is as follows: Number inoculated 4,212, of this number 144 contracted influenza, 112 of whom the onset began before the inoculation was completed. There were no deaths. There were 8,486 who were not vaccinated. There occurred 1,409 cases of influenza in this group, 96 of whom died. ~State Board of Health.

**FLU SITUATION AGAIN  
BAD IN THIS CITY**

Jan. 31, 1919

The flu situation is again looking bad in this city, a number of deaths having occurred from it recently. The quarantining of the homes is not being carried out as planned, as it is reported some residents resent the placing of the placards on their homes.

The school board is considering closing the schools and if the situation remains the same, to all probability these will be closed Friday night.

\*\*\* Class Challenge 101 \*\*\*

By Carmen Smith '61

The Silverton High School Alumni Association was started in 1996 when a small group of Alumni got together and awarded one (1) \$100.00 scholarship to a SHS graduate. Since that time, the membership of the Alumni has grown each year along with the total number of scholarships awarded. In 2020 the Alumni from YOUR school will award \$75,750 in scholarship dollars to deserving graduates from Silverton High School. You can help!

Many components go into the growing of the SHS Alumni Association treasury. The newest is the Class Challenge which was started three years ago when the Class of 1959 challenged other classes to help raise money for scholarships. That year, several classes took up the challenge and raised \$3,400. In 2018, more classes participated and raised \$18,430. In 2019 the classes raised \$27,240 and the top contributing classes, 1952, 1960 and 1961 were recognized for their efforts by having one-time scholarships to be awarded in 2020 "named" in their honor.

CLASS REPRESENTATIVES:

We need your help & participation. Please take a few minutes to email, text, write or call each of your classmates & remind them that they have an opportunity to help make a difference in the lives of our newest SHS graduates, just as Silverton High School (often) made a difference in ours. The Silverton High School Alumni Association (SHSAA) maintains a 501(c)(3) tax designation and your donations can be tax deductible. Also, remind them that in order for their donation to be counted as a Class Challenge

donation, they MUST fill out the Class Challenge form as printed on this page.

For the top three donating classes of 2020, their Class Year will be named on one of our scholarships.

Those individuals who have cumulatively donated \$500.00 or more will be designated a SHSAA Lifetime Member and will be listed on the SHSAA plaque on display at the high school. Lifetime Members also receive the Alumni newsletters free of charge.

If you would like help composing your note or letter to your classmates or would just like to discuss the "how to" a bit more, contact our committee: Verna Thayer (503) 581-8231, Tracy Duerst (503) 932-1320 or Carmen Smith (985) 626-1426.

NOTE: Dues, Memorial and other designated donations (named scholarships) will NOT be included in the Challenge calculation. Donations to the Challenge must be specified with the contribution. The form on this page should be included with your check. Please do not send cash! The SHSAA office will send you a receipt for tax purposes. SHSAA maintains a 501(c)(3) status.

### Class of '65

By Jean Gruber Kent

Plans for a class reunion this summer have been cancelled.

We are still updating our email list. Please send your email address to me. SHSAA is also establishing an email list in lieu of postal mail for distribution of the bi-annual newsletter.

I can be reached at 503-871-6976 or email: jkent642@onlinenw.com.

Members of the class of '65 are planning on continuing to meet monthly, after this COVID-19 is over, on the third Tuesday at 9 a.m. We meet at 310 Water Street at the Gilded Turnip, formerly known as 3 Ten Water. All are welcome to join us.

**Next issue - Dec. 2020  
Info Deadline:  
October 20, 2020**

### SHSAA Meetings

Under normal circumstances, Silverton High School Alumni Association meets the third Tuesday of the month, except for August and December. We meet at the Branstetter Building in Silverton, which houses Silverton Realty. The address is 303 Oak St., Silverton, Oregon and our meeting time is 5:00 p.m.

Just take the stairs and you'll find us in the conference room. (There is an elevator for those who need it; just let us know ahead of time.) Bring your ideas, comments, and suggestions. We welcome all Silverton High School Alumni and past or present teachers.

Due to the COVID-19 ban on meetings of groups, we will not hold a meeting this summer unless the order is rescinded. If you're interested in attending, you may phone any of our Officers and Trustees to verify the meeting.

### Class of '60

By Judy Nunn

Our reunion plans have changed, mainly due to the coronavirus. We don't know how long we will be asked to "Stay Home - Stay Safe".

The Alumni Fundraiser is cancelled for 2020. SHSAA will arrange for 2021 instead.

Several class reunions have also been cancelled, including ours. If the "stay home" is lifted before July or early August, we hope to find a park where we can meet, or perhaps a restaurant will be available.

I have already donated the \$\$ I was going to spend on Alumni Fundraiser tickets, to the Class Challenge, that's for two of us..

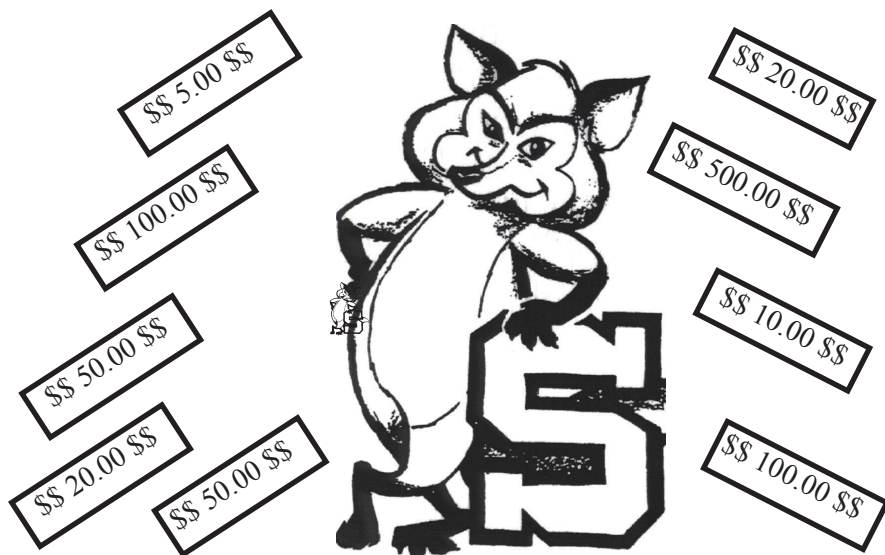

**If you have email, please send me a note to nunnjk@comcast.net, to make sure I have your current email address.**

Also, if there are any "last minute" changes, I need to have a quick way of contacting ALL of you! Postage is expensive. If you don't have email, please send me your phone number in case we have to contact everyone ... for any reason... like this COVID-19.

### An important note from the Editor:

This space is reserved for our future Class Representatives. We're also looking for others to step up and volunteer for the classes that DO NOT have Class Reps at this time. Find your class in the list above; if there is nobody listed as a Representative for your class, we would like YOU to step up and volunteer.

The job is not difficult. Just ask our Editor for a list of your classmates and compare it with what you have listed for addresses, email, and phone. You don't have to do this "alone"; ask another classmate to help you keep track of your classmates.

Readers, we ask for each of YOU to notify your Class Rep when you move, change your name or update your email address. The Rep can then notify the Editor of this Newsletter. If you are willing to help your class out, please notify Judy Nunn, Editor, at [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net) or call her at 503-931-6872.

**NOTE: For Scholarship and/or Class Challenge, please use the form on page 11. Due to the COVID-19 causing us to cancel the Fundraiser, this is a one-time offer to combine these two.**

(PLEASE - **NO CASH** - YOUR CANCELED CHECK IS YOUR RECEIPT.)

Privacy Policy: SHSAA does not sell or trade names and/or addresses of alumni. By keeping a current alumni database we help classes locate their classmates when planning and organizing their reunions.

**The SHS Alumni Scholarship Fundraiser - *Cancelled for 2020***

Because of the COVID-19 pandemic, the SHSAA Trustees have decided it is in the best interest of our Alumni Association to cancel the 2020 Fundraiser. Although we look forward to this event every year, we feel that due to the current COVID-19 Pandemic the health and safety of our Alumni is top priority.

However, just because we do not have the fundraiser does not mean you don't have an opportunity to support our SHS graduates with scholarships. The Class Challenge is an excellent way to support scholarships without leaving the comfort of your home and complying with the current "Stay at Home" policies.

The Fundraiser dinner, including the silent auction, Class Challenge, and 50/50 pot is held to raise money to support the Scholarship Program. The Scholarship Program provides scholarships for graduating seniors and post-graduates through their first bachelor degree.

Now we need your help. Since the fundraiser has been cancelled this year, we suggest you use the money you were going to spend on tickets and apply it to the Class Challenge for your class. Details are on Page 11 of the newsletter. Please mail donations to the Alumni Association.

All donations to the Scholarship Fund or the Class Challenge will be credited to the Class Challenge *this year only*. Help your class compete for bragging rights in the Class Challenge. Contact our Treasurer, Tracy Duerst at [djduerst@aol.com](mailto:djduerst@aol.com) if you have questions.
