## Alumni Fundraiser 2021 Cancelled Again This Year

We, the Silverton Alumni Association, have decided as a health and safety precaution to cancel the alumni dinner again this year. The decision was exceedingly difficult for us to decide on. We want to be positive that we can keep all our guests safe and did not feel that at this time that we could positively do that. We regret that this may be a hard decision to hear for some as there are reunions planned around our event.

We hope that you will all join us on August 5, 2022 at the Mount Angel Festhalle for a celebration that we will all enjoy with out the current health restrictions and continued changes. Our thoughts and good wishes are with you and we look forward to being with you in 2022.

We may not have the dinner/fundraiser, but we do have an opportunity for you to help and continue to support the Silverton Alumni scholarship fund.

The Class Challenge will continue as we move forward during this phase of the reopening of our town, State and community. We encour-

age you to consider donating to the class Challenge for the reward of having a scholarship named for your class next year. We love to give scholarships to the Silverton High School Graduates. Your class can make a difference to a graduate who was not sure how they could afford to go to college. Each and every person that donates helps to give a young graduate the help they need to achieve their dream. We can all make a difference. Remember your class will get some fabulous bragging rights if yours is the class to get the highest donations. There is also a scholarship for the 2nd and 3rd highest class donations.

The Scholarship Program provides scholarships for graduating seniors and postgraduates through their first bachelor's degree.

Please mail donations to the Alumni Association, 303 Oak St., Silverton, Oregon 97381. Use the Class Challenge donation form located on page 9.

All donations to the Scholarship Fund or the Class Challenge will be credited to the Class Challenge this year, 2021.

Help your class compete for bragging rights. Contact our Treasurer, Tracy Duerst at [djduerst@aol.com](mailto:djduerst@aol.com) if you have questions.

## Happy 100th Birthday, Nellie!

*By Tracy Duerst '79*

Nellie (Savage) Watson, former Silverton school district clerk and 2019 honorary SHS graduate, recently celebrated her 100th birthday! Nellie served the Silverton school district from 1954 until her retirement in 1981. During those years, Nellie could be seen in the superintendents office, which was located near the multipurpose room in the Schlador street high school. Although the pandemic prevented a large party to help her celebrate this milestone, she was able to enjoy her birthday with her family.

Alumni from the class of 1939 will also be turning 100 years old this year. Do you know of an alumnus who is turning 100 this year? We'd like to know so we can recognize their important milestone.

Those graduating in 1939 would have been born in 1920 or 1921, depending on the month of birth. Here are the rest of the Class of 1939 who have turned 100 or will soon reach 100:

- Marie Pederson Andersen
- Howard Brokke
- Freda Hanson Grande
- George Hayes
- William King
- Joseph Smith
- Paul Spencer
- Joy West Wallace
- Edith Matye Wilson
- Cora Satrum Wrolstad

Nellie was presented with an Honorary diploma in 2019. You can read more about her in the June 2019 issue of the Silverton Alumni News.

### ~~~ UPDATE ~~~

At the time of publication, the COVID-19 order to "Stay home - Stay Safe" is in effect. We are hopeful the ban will be ended by July so that we may be able to get together at short-notice reunions and/or a picnic in the park.

Watch your local news, our SHSAA Facebook page and SHSAA website [www.shsfoxes.com](http://www.shsfoxes.com) for updates. For questions, you can contact your Class Rep or the person in charge of your class reunion.

Once more, we decided to cancel our annual Fundraiser intended for August. Cross your fingers and hope the virus settles down!

There are several classes that are planning reunions, so check the 2021 Reunion Guide on page 3 for your class.

I want to thank the Class Reps for following through with their own class. Several have sent me updates for those moving from place to place. Keep up the good work!

**President’s Message**

*By Tia Purdy '82*

Happy spring to everyone. As we enter the warm and joyful season of growth and harvest, it is a time to rejoice. We will be welcoming a new class of Silverton High School graduates to the alumni. This is the second year that we will have a class that are truly experiencing a unique journey as they go forward in the adult world. With a grateful and proud heart, I congratulate them on all that they have accomplished.

The winter has been a challenge for us all. The windstorm blew trees and power lines down. Clean up was almost complete when nature gave us an historical ice storm pruning. As longtime residents of the area, it was historic by all accounts. As a kid in the 70’s I remember freezing temperatures in the low teens that made it possible to ice skate on the local ponds, but not the ice 2 inches thick. Nature has had a great deal of fun messing with us this year.

The Corona virus is with us still. The continuing changes continue to make every day a challenge. We are looking forward to the Alumni dinner/fundraiser this year in August. The current information from the health department is looking good, so that we will be able to have the dinner. The classes that had to cancel their reunions, we hope you will be able to make a late get together at the dinner. We have the venue reserved and meal planned. All you need to do is let your class know that date and have them purchase tickets for the evening.

I hope that this new season has brought you joy and will continue to brighten your days.

**In Memoriam**

This column is to pay tribute to fellow students, parents and teachers. This is not a “recent” list necessarily. We will print names others have submitted, and the actual recent losses we note from the newspapers and word of mouth.

*If you’ve lost a loved one or know of someone who should be listed, please let us know.*

Many times we receive a note that one is deceased, but no date given. If you can assist with any **incomplete dates**, we at the Alumni Association would greatly appreciate your help. Information should be sent to the Editor of this Newsletter, Judy Nunn.

**Volunteer Award**

*By Tia Purdy, President*

We move about our days and rely on people who take on multiple jobs without a complaint. I am truly honored to be able to tell you about our Volunteer Award recipient for this year, Verna Thayer.

Verna is a wonderful lady who demonstrates what a volunteer looks like. Verna is busy doing so many different jobs that make the Silverton Alumni run and look amazing.

Verna has been a member of the Alumni for many years. She is an incredible lady who gives so much of her talents to make our Alumni a success. Verna puts 110 percent of herself into the projects that she does. Verna has been busy setting up a large rotation of showcase displays at Silverton High School for about five years. She and a few others change the showcase to help show whereas a school and community we are all from and what we have done for many years.

Verna is busy working on address labels for our newsletter mailings by helping to highlight them before we can apply them to the newsletter. She has written articles and oc-

asionally proofreads the newsletter before it goes to print to help the alumni newsletter be something of which we can be proud.

Verna has been very instrumental in the Class Challenge as a fundraiser. She has put a lot of time and effort into helping to make this a successful part of our scholarship fundraisers.

The Homer Davenport Days keep her busy, as she prepares the boxes for the workers at the park booth. Verna also volunteers on her own shift. She helps to set up the Annual Alumni dinner and auction every year. She always helps running errands to pick up tablecloths and gathering the necessary boxes of supplies for auction and registration tables.

Verna has been a valuable person to so many of us and to me over time. Verna has been an amazing lady to be able to work with these last few years. She has always been giving and open with her time. It is an honor to recognize her and let you see what many of us have been able to witness. Thank you, Verna!

**Senior Bench**

*By Judy Nunn '60  
with assistant Bob Wiesner '54*

The concrete bench was originally installed at the second high school in Silverton in 1920. This was the new building next to the Washington Irving building on First Street. The high school was built on First St. in 1915 and became the Jr. High when the high school on Schlador Street was built in 1939. The senior bench was left at the First Street school until 1957. The 1915 high school and the Washington Irving building were both being torn down to make room for the First Christian Church.

In 2009, Norman Wiesner ('73) was attending a school bond meeting. There was a discussion to move the senior bench from the high school on Schlador St. to the newest high school on Pine Street. 2009 marked the last year for seniors to occupy the Schlador St. facility. It was thought that moving the bench would be a good idea, but nobody at the meeting seemed to know that it had been moved once before. Norman talked to his brother Bob ('54) and Bob decided to follow up on the idea of moving the bench.

Bob Wiesner went to the Silverton Library and reviewed the microfilm from past issues of the Silverton Appeal-Tribune. In doing so, he discovered that the bench was actually moved in 1957. This was confirmed by Mayor Stu Rasmussen ('66). He was sure that Sanford Seed had moved it. The next contact was with John Sanford ('57) and he confirmed that one of the Sanford employees moved it with a 15,000 pound forklift.

The next step was to find someone to move the bench. Bob measured the actual bench and the

weight was calculated by measuring the width, height and length of the bench, converting that to cubic feet by the weight of cement. The result was that the estimated weight of the bench must be 13,000 to 15,000 pounds.

With that information, Bob contacted Rick Mallorie ('78) of Mallorie's Dairy. He was quite willing to move it and had the proper equipment to do so. Dennis Maulding ('66) agreed to donate gravel for the base and Bob Klaus ('60) agreed to haul it. Wilco sandblasted the bench to remove 50 years of paint. The volunteers donated their time, equipment and materials.

The projected date was planned for the Sunday during Homer Days, with the idea that many alumni will be in town for the annual SHS Alumni Fundraiser. However, there were a few details to work out. Bob continued to pursue the moving of the bench.

He managed to get the insurance forms filled out and the bench actually moved on Aug. 16, 2009. But again there was a problem in getting it "planted". The sprinkler system was working and the ground too wet to approach with 15,000 pounds of cement (in the form of a bench). Craig Roessler and Mark Hannan responded and were familiar with the community's interest in the project. The Alumni Association continued to monitor and be a medium for the interest being shown without taking leadership in the project.

Finally, the bench was installed at the Pine Street campus. On August 23, 2009, Rick Mallorie, Norman Wiesner and Bob Wiesner met at the new high school. The hole was dug after much measuring. The bench is not flat on the bottom. There are three ridges to keep it in place. "Our Town" sent a photog-

rapher and the moving of the bench was featured in their early September edition.

Bob was adamant about moving the bench once the new high school was active. The three guys worked diligently to finish the move of the bench. The project was completed in 2010. Bob passed away in 2013.

The Class of 2010 put their mark on it during registration week. We hope each graduating class will continue the tradition of painting the bench.

Well, after another SHSAA meeting, it has been decided to not take a chance on spreading the COVID-19. The Fundraiser has been cancelled one more time.

Our 62nd Birthday will be in 2022, so we can celebrate then. Think about what we can plan for August 5th in 2022!

Be sure to send in your donation towards the Class Challenge. Information is on page 9. Use the entry coupon so we are assured of getting credit for all your donations!

**Class of 1979  
60th Birthday**

Details are being finalized to celebrate our 60th birthday this summer. Please watch for information coming soon on our new Class of 1979 Facebook page. If you're not on Facebook contact me at [taduerst@gmail.com](mailto:taduerst@gmail.com) for information.

**Hello Class of 1970!**

*By Darby Hector '70*

The reunion committee hopes that you and your families are doing well. We have decided to move forward with our 50th/51st reunion to be held during the weekend of Homer Davenport Days, August 6 – 8, 2021.

Below are the highlights of events and requests and other information. As we get closer to the event, we will send more details.

Saturday, August 7th:

\*Float in the Homer Davenport Parade: Planning has not started for this. We ask anyone interested in planning to please respond to Darby or Sherry (see below).

\*Dinner at Silver Falls Brewpub, for classmates and spouses/partners. Cost will be approximately \$40 - \$50.

\*Sunday, August 8th: Picnic at Silver Falls Park Sunday for classmates and families. Details in the works. If you are interested in planning this event, please respond to one of us listed below.

\*\*Slide Show: We plan to run a slide show and ask that you send photos to Darby via text or email (see below). Emphasis for the photos is high school years, but we hope for some from all K-8 schools as well.

If you attended Kennedy and were at Silverton your senior year, please send photos as well!!

\*\*Bio Album: We plan to create an album with everyone's current photo, yearbook photo and summary of your 50 years since graduation. A template will be provided in the coming months to assist you in creating your bio.

The pandemic has caused uncertainty and issues for many. We plan to have a scholarship fund to subsidize the dinner cost for those who would skip the reunion due to cost.

To preserve classmates' confidentiality, ticket sales will be managed so only one or two people are aware of the recipients.

We hope to see you all at our 50th/51st reunion but know that some of you may not attend. We do hope that all of you will participate in sending photos and bios!

Please respond to either of us listed below if you expect to join the dinner, picnic, and parade float. This is not a commitment but will help us plan for the size.

Cheers!

\*\*\* Class Challenge 2021 \*\*\*

By Carmen Smith '61

The Silverton High School Alumni Association was started in 1996 when a small group of Alumni got together and awarded one (1) \$100.00 scholarship to a SHS graduate. Since that time, the membership of the Alumni has grown each year along with the total number of scholarships awarded. In 2021 YOUR Alumni Association will award an amazing \$89,070 in scholarship dollars to qualifying graduates from Silverton High School. YOU can help!

Many components go into the growing of the SHS Alumni Association treasury. The newest is the Class Challenge which was started four years ago when the Class of 1959 challenged other classes to help raise money for scholarships. That year, several classes took up the challenge and raised \$3,400. In 2018, more classes participated and raised \$18,430. In 2019 the classes raised \$27,240. And in 2020, although we could not be together because of COVID restrictions the Class Challenge raised \$36,562.00!!!

The three top fundraising classes, 1960, 1961 and 1952 will be recognized for their efforts by having one-time scholarships, to be awarded in 2021 "named" in their honor.

CLASS REPRESENTATIVES

We need your help! Please take a few minutes to e-mail, text, write or call each of your classmates & remind them that they have an opportunity to help make a difference in the lives of our newest SHS graduates, just as Silverton High School (often) made a difference in our lives. If you need help with contact information for your classmates, the Alumni As-

sociation maintains a database. Just give us a call!

Remember that in order for donations to be counted for YOUR class and as a Class Challenge donation, donors MUST fill out the Class Challenge form as printed on this page.

ALL CONTRIBUTIONS MUST BE RECEIVED AT THE ALUMNI OFFICE BY MIDNIGHT ON JULY 30, 2021 or postmarked by that date.

For the top three donating classes of 2021, their Class year will be designated on one of our three Class Challenge scholarships in 2022.

Those individuals who have cumulatively donated \$500.00 or more, to the Alumni over the years, will be designated as an SHSAA Lifetime Member and will be listed on the SHSAA plaque on display

at the High School. Lifetime Members also receive the Alumni newsletters free of charge.

If you would like help composing your note or letter to your classmates or would just like to discuss the "how to" a bit more, contact Carmen Smith (503) 873-7741, Verna Thayer (503) 581-8231, or Tracy Duerst (503) 873-8441.

NOTE: Dues, Memorial and other designated donations (named scholarships) will NOT be included in the Challenge calculation. Donations to the Challenge must be specified with the contribution. The form on this page should be included with your check. Please do not send cash! The SHSAA office will send you a receipt for tax purposes. SHSAA maintains a 501(c)(3) status.

Tia and I will be there, and we would love to see some of you as well! It's always a fun time and a great event to support the Alumni scholarship program.

We would like to get a head start on plans for our 40th reunion coming up next year. Start sending us some ideas and most importantly, send your contact information. Most of our communication will be through Facebook, but we will use regular mail if we have enough valid addresses. We would also like

to get a current email database going again. I created a class email account at: suhclassof1982@gmail.com. Please email your updated contact information to us. Feel free to call or text me at 503-949-4129 with any questions.

### Classmates of 1952!!

By Donna Myers '52

The class of '52 wants to thank the many men and women working long hours and many days to keep us safe. "We are all in this together".

No luncheons until it is safe to be together again. Please keep phone numbers and addresses up to date.

Next year will be our 70th reunion. We need to think now about where to meet or what to plan for, because we always had it at the Kaiser golf course. We need to aim for some suggestions as to where to meet.

If you have any questions, please contact Donna Myers at 503-371-1018.

### Display Case at the High School

By Verna Thayer '59

The current SHSAA display case at the high school follows the history of the gradual changes. Of special interest is the concrete bench that has followed the school thru the years. Thank you to the Silverton County Historical Society for reproduction of many of the photographs.

For information or ideas, contact Dori Meyer 503-873-6073.

### Are you a Member?

Your \$5.00 dues help support this newsletter, in addition to adding to the scholarship fund.

Check your mailing label. If it says "complimentary copy", we'd like to invite you to join our organization. **All who attended Silverton High School are alumni, but it takes more than that to become a member of the Silverton High School Alumni Association.**

Our goal is to award each high school graduate a scholarship to help further his or her education.

There's an application and donation form on page 15 of this newsletter. Please join us in our endeavor.

### Wanted!

### Yearbooks from 1960's, 70's & 80's

There are many Alumni who missed out on the opportunity to purchase a yearbook while in school. There are others who no longer have their yearbooks for various reasons and wish to obtain one. The SHS Alumni Association has a supply of yearbooks for sale, however there are many requests for books that we do not have.

Those requests have been added to a wait list which continues to grow. If you have a yearbook that you no longer want, please consider donating it to the Silverton High School Alumni Association. Donations will be accepted at the alumni office at 303 Oak St., Silverton. We will sell the yearbooks for \$10.00 each with the proceeds to be used for scholarships. Please contact Tracy at [djduerst@aol.com](mailto:djduerst@aol.com) or 503-873-8441 if you have any questions or wish to be added to a wait list for a yearbook.

### Let's Work Together

Together we can make amazing progress in growing the SHSAA scholarship fund. The "Class Challenge" is an example of what we can do – From \$3,400 raised in 2017 to \$ 36,492 raised in 2020.

This year SHSAA will be awarding \$89,000 in scholarships to Silverton graduates and postgraduates. Together we can support the education of the next generations in their and our future.

We are now looking for a person, group, or class to oversee the task of continuing the growth of the Class Challenge. If you are motivated and have promotional ideas, you are who we need. If you are interested, please see the contact information below. Comments or ideas are most welcome, and we look forward to hearing from you.

### An important note from the Editor:

This space is reserved for our future Class Representatives. We're also looking for others to step up and volunteer for the classes that DO NOT have Class Reps at this time. Find your class in the list above; if there is nobody listed as a Representative for your class, we would like YOU to step up and volunteer.

The job is not difficult. Just ask our Editor for a list of your classmates and compare it with what you have listed for addresses, email, and phone. You don't have to do this "alone"; ask another classmate to help you keep track of your classmates.

Readers, we ask for each of YOU to notify your Class Rep when you move, change your name or update your email address. The Rep can then notify the Editor of this Newsletter. If you are willing to help your class out, please notify :

Judy Nunn, Editor, at [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net) or call her at 503-931-6872.
