Star visits Silverton

by Teri Wiesner Baker (Class of 1980)
Fox's Howl Feature Editor

Howard Hesseman died on January 29, 2022, in Los Angeles at age 81. Howard Hesseman, aka Howard "Butch" Main (Class of 1958), visited Silverton for a social evening at the McClaine Street home of his friend and fellow classmate, Allan Renback.

A trio of SUHS students on the school newspaper attended that event to interview Howard and take some photos. Jeff Marcoe (Class of 1979) was the editor of the Fox's Howl that year and attended that party with his parents, Arnie and Carol Marcoe. Curt Almquist (Class of 1980) took photos and Teri Wiesner wrote up the story.

She also had interviewed him earlier that day by phone when Howard was in Portland doing a radio show.

As a tribute to Howard, we are pleased to reprint the Fox's Howl story about Hesseman's 1978 visit that Teri Wiesner Baker authored back then. Teri offers a look back reflection at the end of this article.

What started out to be a five minute visit with Dr. Johnny Fever (Howard Hesseman) turned out to be a two-and-a-half fun-filled hour with Butch Main.

Butch Main plays a disc jockey on his new comedy series, WKRP in Cincinnati. Main is a SUHS graduate and also former Fox's Howl editor. Main came to Silverton to see old friends on the evening of Nov. 29, 1978.

In an interview with Main, he was asked about his memories of SUHS. He stated, "I liked Silverton probably because of all the crazy stunts like B.B. gun fights with Allan Renback. "We decided to quit them when someone got hurt. We decided that wasn't the thing to do."

He also remembers he stayed away from the police station as much as possible. "It's really hard to be the police chief's son."

"Some of the teachers I remember were Bill Iron, Ron Hite, Richard Unger and I have very warm memories of Charlie McNatt and Cordell Woodall."

Main says he had fun working on the Fox's Howl. "I especially liked it because I could leave the high school frequently. I liked work-

ing under a deadline, the pressure of knowing you have to have your stories in on a certain day."

When asked if he thinks high school kids have changed much, he said, "The life styles have. Grown-ups say the same things now that they said when I was in school. The young people are learning more things faster."

Getting to the subject of his career, Main said that "You have to enjoy what you're doing at the time you're doing it." Main feels that his drama teacher, Bill Iron, was a great inspiration to him.

When asked when he decided he wanted to be an actor, he stated, "I don't know. I liked to dress up in costumes and pretend a lot. I was also impressed by things I saw in films."

He acted at the University of Oregon. He played with the idea of acting for four years. Main has acted in 25 feature films and lots of TV. He also acted in plays in high school.

"I had a job once working for a radio station called KPMX-FM, the first underground radio station, in the 1960's," said Main.

Asked if he has ever turned down jobs, Main replied "Yes, I have. I've turned down jobs for lack of quality. It's never wrong to turn down something that is wrong."

My thanks to all the classes who have sent articles for this edition of our Silverton Alumni News. This is more than we've ever had!

Now to the Class Reps: Please look up your OWN NAME in the list of Class Reps. If you have moved, changed your email or your phone number, let me know!

Also, check your own list of classmates. If you know someone has moved but you don't have the new address, be sure to ask me! I update as people notify me of any change. I like to keep you Reps up to date. If you need a class list, just ask and I'll email it to you.

Thank you for helping to keep up with so many that tend to move and forget to tell "us".

President’s Message

What a great organization! This is exactly what I told myself after attending my first meeting of the Silverton High School Alumni Association, (SHSAA). Immediately after that, I asked myself, “Why haven’t I been involved before?”

Not only does the SHSAA provide all alum with this amazing newsletter, this small but mighty team of volunteers also:

- Maintains a list of alum
- Assists classes with reunion planning
- Raises scholarship money
- Meets monthly to discuss and resolve related issues
- Participates at Silverton High School graduation events
- Mans a booth at the Homer Davenport Festival
- Updates and maintains the SHSAA website
- Acts as a fiduciary for scholarship and other funds
- Manages social media pages
- Gathers and sells yearbooks
- Plans and puts on an annual fundraiser/reunion
- And much more!

In all honesty, I had no idea that this wonderful group of caring and devoted people were silently doing so much good for the graduates of Silverton High School. I am one of those alum who put Silverton High School and my former classmates on the back burner; life got the better of me and I just ran out of time to be involved. I of course knew when my class was hitting a milestone year, but just did not make the effort to find out where and when a gathering was being held. I received this newsletter in the mail and glanced at it briefly, but really did not spend a great deal of time on it.

A little over a year ago, I came back to Silverton to work at Wil-

The Association needs your help; money is always needed, but your participation and involvement in the many areas overseen by SHSAA is crucial. Are you a whiz at websites? Do you like to plan parties? Do you want to connect

Butch Main Continued from page 1

During the '60's Main became very involved in politics. Many things were happening in his life. His friends were dying in Vietnam and from drugs. It was a very trying time for him.

"My work day is from 10 a.m. to 6 p.m. We discuss it Monday and then rehearse," said Main.

Concerning living locations he said, "I prefer to live in San Francisco, but I have to work in LA. I just enjoy working too much."

When asked what his most memorable part was he said, "I like doing Dr. Johnny Fever. I like working week to week."

What brought Main back to Oregon? "Well, there are three reasons; KEX radio asked me to do a radio show; I wanted to see old friends; and I also wanted to take a trip with my mom," he said.

"I'm really glad I was here. I have pleasant memories of Silverton."

Will he ever live in Silverton again? "Fate can do anything. After all, look what it's done so far," said Main.

After talking to Butch Main on the phone and then in person, I discovered I was calling him Butch instead of Howard Hesseman. He is a very nice guy and easy to get along with. I found myself talking to him as an ex-Silvertonian instead of an actor.

I was very impressed by him. He really thinks a lot of his mother and of his old friends. I feel that he also thinks a lot of everyone he meets. It was probably my most memorable experience. He just really made me feel at home and I'm glad I had a chance to meet him.

If some of you haven't seen his show and like good comedy shows, I do suggest you watch WKRP. You won't be sorry.

"If I have left anyone out or didn't really remember someone, I really apologize," said Main.

BUTCH WAS VERY DOWN TO EARTH. I love that he kept in touch with a group of classmates clear up until he died. He was always a hometown boy at heart. When you meet him and talk, he no longer seems like someone famous.

I wrote to him a few times after the interview. He always answered and asked how I was doing. I was sad to hear about his passing. The world lost a wonderful person.

Editor's note: Howard (Butch Main) Hesseman passed away suddenly following colon surgery on January 29, 2022. We are aware that many of our readers knew Butch. The preceding story was copied from the Fox's Howl student newspaper. Many of us watched the comedy show where he performed as a disc jockey, Dr. Johnny Fever - a very funny, entertaining person.

The Alumni Association has discovered we bring in more dollars with the Class Challenge than the silent auction, so there will not be a silent auction this time.

Be sure to send in your donation towards the Class Challenge. Information is on page 9. Use the entry coupon so we are assured of getting credit for all your \$\$ donations!

*** Class Challenge 2022 ***

By Carmen Smith & Tracy Duerst

CLASS CHALLENGE 2022

Most of you know the story: the Silverton High School Alumni Association was started in 1996 when a small group of Alumni got together and awarded one (1) \$100.00 scholarship to a SHS graduate. Since that time, the membership of the Alumni has grown each year along with the total number of scholarships we have been able to award.

In 2022 Your Alumni will award \$101,000 in scholarship dollars to qualifying SHS graduates!!! You can help!

Many components go into the growing of the SHS Alumni Association treasury. The newest is the Class Challenge which was started five years ago when the Class of 1959 challenged other classes to help raise money for scholarships. That year, several classes took up the challenge and raised \$3,400.00. In the following years more and more Alumni and their classes took up the Challenge and were able to offer more (and better!) scholarships to our deserving seniors. In 2021, even though we were unable to gather together, the Challenge raised \$42,617!!

CLASS REPRESENTATIVES: we need your help! Please take a few minutes to e-mail, text, write or call each of your classmates & remind them that they have an opportunity to contribute to our Scholarship fund and to help make a difference in the lives of our newest SHS graduates, just as Silverton High School (often) made a difference in ours.

The deadline to donate is July 29, 2022. The Silverton High School Alumni Association (SHSAA) maintains a 501(c) (3) tax designa-

tion and your donations can be tax deductible. Remember that in order for donations to be counted as Class Challenge donations, the donor MUST fill out the Class Challenge form which is found on this page.

Each of the top three donating classes of 2022 will have a named scholarship. Individuals who have cumulatively donated \$500.00 or more will become SHSAA Lifetime Members, will be listed on the SHSAA plaque hanging at the high school, and will receive Alumni newsletters free of charge.

If you would like to help composing your note or letter to your classmates, if you have additional ideas to help make the Challenge better or would just like to discuss the "how to" a bit more, contact our committee: Carmen Smith (504) 512-3610 or Tracy Duerst (503) 873-8441.

NOTE: Dues, Memorial and other designated donations (named scholarships) will NOT be included in the Challenge calculation. Donations to the Challenge must be specified with the contribution. The form on this page should be included with your check. Please do not send cash! The SHSAA office will send you a receipt for tax purposes. SHSAA maintains a 501(c)(3) status.

TWO DATES FOR CLASS OF '63

By Darlene Blackstone

Hey '63 Foxes! Two important dates to add to your plans for Summer 2022 and Summer 2023.

SATURDAY, AUGUST 6, 2022

Our annual class birthday party is back on! In keeping with tradition, we'll celebrate on Saturday afternoon and evening during the Homer Davenport festivities in town. Plan to make a weekend of it, starting with the all-class SHSAA festivities on Friday, taking in the Saturday morning parade and other Homer activities at the park, and celebrating with your classmates later on Saturday.

We're keeping it very simple this year. Very low-key. Very casual. Just visiting with friends and sharing a simple meal in pleasant surroundings.

Where: Mason's place at 5704 Davis Creek Road NE off S. Abiqua Road off Hwy 213.

When: Saturday, August 6, 2022.

Time: Arrive any time after 3 p.m. Catered picnic-style dinner served at 5 p.m., followed by our 77th birthday cake!

FRIDAY-SUNDAY, AUGUST 4-6, 2023

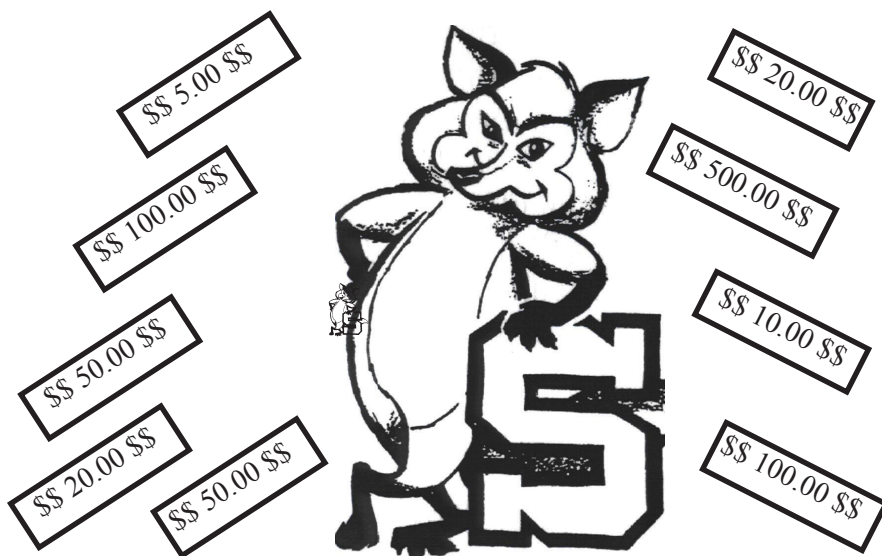

Our 60th high school reunion. Yikes! At this year's birthday party, we will want to talk about NEXT YEAR'S gathering to mark the 60 years since we graduated. How do we want to celebrate? A multi-day event like we did for the 50th? Parade? Class pic in our orange T-shirts? Paint the class bench? A little program with dinner? Lots to think about. Ideas, questions, comments to 63foxes@gmail.com or text or call Darlene at 971-301-3970.

Looking forward to your suggestions—and to seeing you in person in August.

An important note from the Editor:

This space is reserved for our future Class Representatives. We're also looking for others to step up and volunteer for the classes that DO NOT have Class Reps at this time. Find your class in the list above; if there is nobody listed as a Representative for your class, we would like YOU to step up and volunteer.

The job is not difficult. Just ask our Editor for a list of your classmates and compare it with what you have listed for addresses, email, and phone. You don't have to do this "alone"; ask another classmate to help you keep track of your classmates.

Readers, we ask for each of YOU to notify your Class Rep when you move, change your name or update your email address. The Rep can then notify the Editor of this Newsletter. If you are willing to help your class out, please notify :

Judy Nunn, Editor, at Nunnjk@comcast.net or call her at 503-390-3816.

1961's to GATHER

By Carmen & John Smith '61

If Roger could do it, we can too!
61 in '61!!

'61s: mark your calendars! On Wednesday, August 3, 2022 our class will celebrate our 61st reunion with a potluck dinner at Silverton's Coolidge-McClaine Park. A planning committee meeting will be held in June at our house (16695 Dancing Fox Lane NE, Silverton) to decide on the details. Anyone in-

terested in helping plan this special gathering is invited.

Also - on Friday night, August 5, 2022 our class will reserve tables at the Mt. Angel Festhalle to join our friends from the many other Silverton High School classes for the Alumni and Friends annual gathering & dinner (the first one since 2019).

Once again the class of '61 will be looking to score another win in the Class Challenge. Check this newsletter for details on page 9.

For additional information and/or to let us know that you will be attending the planning meeting, potluck and Friday night reunion call, text or email:

Carmen or John Smith (504) 512-3610; Randomjohn@aol.com

LOOKING FORWARD TO
SEEING YOU IN AUGUST!!

ALUMNI WANTED FOR HOMECOMING FLOAT

Interested in meeting other alumni and having fun? Join us on our homecoming parade float! Help decorate, ride on a hay bale, and toss candy to children! We will also need a good-sized truck with a flatbed trailer. We don't have the Fall Football schedule yet, but will contact you when we do. It's usually the last Friday of September or the first Friday of October. If you're interested in helping out, contact Kristi Holden '79 at 503-863-9958 or email at kristigogo@yahoo.com.
