Senior Bench

*Repeated from December 2009 issue.
Written by Judy Nunn '60 with
assistance of Bob Wiesner '54.*

The concrete bench was originally installed at the second high school in Silverton in 1920. This was the new building next to the Washington Irving building on First Street. The high school was built on First St. in 1915 and became the Jr. High when the high school on Schlador Street was built in 1939. The senior bench was left at the First Street school until 1957. The 1915 high school and the Washington Irving building were both torn down to make room for the First Christian Church.

In 2009, Norman Wiesner ('73) was attending a school board meeting. There was a discussion to move the senior bench from the high school on Schlador St. to the newest high school on Pine Street. 2009 marked the last year for seniors to occupy the Schlador St. facility. It was thought that moving the bench would be a good idea, but nobody at the meeting seemed to know that it had been moved once before. Norman talked to his brother Bob ('54) and Bob decided to follow up on the idea of moving the bench.

Bob Wiesner went to the Silverton Library and reviewed the microfilm from past issues of Silverton Appeal-Tribune. In doing so, he discovered that the bench was actually moved in 1957. This was confirmed by Mayor Stu Rasmussen ('66). He was sure that Sanford Seed had moved it. The next contact was with John Sanford ('57) and he confirmed that one of

the Sanford employees moved it with a 15,000 pound forklift.

The next step was to find someone to move the bench. Bob measured the actual bench and the weight was calculated by measuring the width, height and length of the bench, converting that to cubic feet by the weight of cement. The result was that the estimated weight of the bench must be 13,000 to 15,000 pounds.

Left to right: Rick Mallorie, Norman Wiesner and Bob Wiesner

With that information, Bob contacted Rick Mallorie ('78) of Mallorie's Dairy. He was quite willing to move it and has the proper equipment to do so. Dennis Maulding ('66) agreed to donate gravel for the base and Bob Klaus ('60) agreed to haul it. Wilco sandblasted the bench to remove 50 years of paint. The volunteers *donated* their time, equipment and materials.

The projected date was planned for the Sunday during Homer Days, with the idea that many alumni will be in town for the annual SHS Alumni Fundraiser. However, there were a few details to work out. Bob continued to pursue the moving of the bench.

He managed to get the insurance forms filled out and the bench actually moved on Aug. 16, 2009. But again there was a problem in getting it "planted".

The sprinkler system was working and the ground too wet to approach with 15,000 pounds of cement (in the form of a bench).

Craig Roessler and Mark Hannan responded and were familiar with the community's interest in the project. The Alumni Association continued to monitor and be a medium for the interest being shown without taking leadership in the project.

Finally, the bench was installed at Pine Street campus. On August 23, 2009, Rick Mallorie, Norman Wiesner and Bob Wiesner met at the new high school. The hole was dug after much measuring. The bench is not flat on the bottom. There are ridges to keep it in place.

"Our Town" sent a photographer and the moving of the bench was featured in their early September edition.

The Class of 2010 put their mark on it during registration week. We hope each graduating class will continue the tradition of painting the bench.

Check out photos on our website <https://www.shsfoxes.com/shs-bench-move/>.

Addendum: Unfortunately, we lost Bob Wiesner on October 20, 2013. Both Rick Mallorie and Norman Wiesner are residents of Silverton.

My goodness, time sure flies by when you're not looking. This issue is reminding the classes ending in 3 and 8 that they will be celebrating a reunion! Take a look at the 2023 Reunion Guide on page 3. Most have not decided where and when to have a party, but many have ideas.

Go to the page number and see what your Class Rep has in mind. If your class isn't listed, then go to the list of Class Reps and find your graduation year. We have Class Reps for most classes. If there isn't one for *your* class, why not volunteer to take on the task of planning a reunion? Information for taking over as your Class Rep is on page 10.

You know your class is welcome to join others at the Fundraiser in August. For more info, see page 8.

SHSAA does not sell or trade names and/or addresses of alumni. Our purpose is to keep a current database of all alumni. With this information we propose to help each class in locating their classmates when they are planning a reunion. We do, however, share the addresses within that class and with other alumni.

President’s Message

By Linda Merrill '79

The 24th Annual Silverton High School Alumni Scholarship Fund-raiser was held on August 5, 2022, at the Festhalle in Mt. Angel. We had approximately 184 graduates and guests in attendance, and it was great to get everyone together in person once again! The dinner was delicious and some wonderful door prizes were given out to a number of lucky attendees. This year we had a wine wall which gave everyone an opportunity to buy a nice bottle of wine while supporting SHSAA, and the Class Challenge winners were announced – see separate article for more information on the Class Challenge. Several attendees took advantage of the cornhole and giant Jenga games available and of course there was a lot of catching up happening throughout the evening!

One of the highlights of the evening for me was the introduction of Dean Fleshman (2013) and his brother Anthony Fleshman (2019) both past recipients of SHSAA scholarships. These very accomplished alumni shared with us what the scholarships have meant to them and their education – it truly was a wonderful addition to the event and a great reminder as to why our Association exists.

A huge THANK YOU to the many Trustees and Officers of SHSAA and the other dedicated volunteers who helped make the fundraiser a success! The time and effort required to pull off an event of this magnitude is formidable; these amazing individuals make it look easy, but it is a lot of hard work.

Thanks to everyone who purchased a ticket and enjoyed the evening, we raised a total of \$3,936!

Temp Away

By Judy Nunn '60

We mail our Alumni News-letter twice a year, on the third Tuesday of May and November. Please add the SHSAA to your change of address list.

If you're a "snowbird" and move at either of those times, please let us know of your temporary address. We can change your address for just that one mailing. The newsletters are sent BULK MAIL and the post office does not forward those, even if you've given a forwarding address. They are tossed and/or returned to us. We also have to pay sixty-seven cents to be notified of your "Temp Away" status.

Quite often I receive an Email asking why a person did not receive a newsletter. We keep a copy of the labels so we can tell if that person was actually on the mailing list. Many times the answer is yes, the newsletter was mailed and yes to the address we have on file. However, when looking over the returned newsletters, there's that person's newsletter with "Temp Away" stamped on it by the post office.

If that person is a paid member, we will send out another newsletter. Usually that's about \$2.00 for First Class, which is the way a second one would have to be sent. We get a great discount when all the newsletters are sent via bulk mail. But you add sixty-seven cents for the notice that they were temporarily away and another \$2.00 to send a second copy, and our costs really go up. Keep in mind this additional expense takes away

from our bank balance, and in turn can reduce the amount we have available for scholarships.

So please, if you intend to change your address in May or November, let us know ahead of time. We can put in a temporary address for the one mailing, and immediately change it back to your "normal" address for the next issue.

See page 9 for the CLASS CHALLENGE 2023

Class of '60

By Judy Nunn '60

Class reunions topped our Fundraiser in 2022. There were 9 classes holding their reunion during the Fundraiser.

Our class just missed raising the top amount from the Class Challenge. The Class of 1961 topped us by about \$400. So, let's try again for 2023. See page 9 for the donation form.

I hope to see more of our classmates attending the Fundraiser on Aug. 4, 2023. We'll have two tables reserved.

'63 FOXES - SAVE THE DATE

By Darlene Blackstone

What should we do for our 60-year class reunion? Consensus among celebrants at our recent 77th birthday party was "keep it simple," one day only with plenty of time for relaxing together and catching up. That one day will be SATURDAY, AUGUST 5, 2023.

Save this date now before your summer 2023 fills up with conflicts. We'd really like to see you at our gathering.

Planned activities include:

- Pile into our antique cars and maybe a pickup or two to ride in the annual Homer Davenport parade.
• Pose for a class photo on the steps of the old high school, wearing our now 30-year-old orange class T-shirts. (Know where yours is?)
• Read aloud the names of our gone but not forgotten classmates.
• Paint a certain bench the "proper" color.
• Enjoy a catered picnic-style dinner in the late afternoon/evening, location to be determined.

Watch your Email for updates. If you are not receiving our class Emails, please contact Darlene (Kenagy) Blackstone at 63foxes@gmail.com or text or call 971-301-3970.

See you next summer!

CLASS CHALLENGE 2023

Many components go into the growing of the SHS Alumni Association Scholarship fund. The newest is the Class Challenge which was started five years ago when the Class of 1959 challenged other classes to help raise money for scholarships. That year, several classes took up the challenge and raised \$3,400. In the following years more and more Alumni and their classes took up the Challenge which resulted in more money being raised for Scholarships. This activity allowed us to continue to raise money for scholarships even when the annual fundraiser event was cancelled due to the Pandemic in 2020 and 2021. Since 2017, the SHSAA Class Challenge has raised \$157,363 for scholarships.

This year we had 28 classes participate by donating a total of \$28,908 to the Challenge. It was a close race between the first and second place classes and the 3rd and 4th place classes.

This year the Class of 1961 pulled ahead of the Class of 1960 by raising \$8,534 by 17 classmates to win the 2022 Class Challenge. In addition to raising the most money, they also had the most classmates that participated. Thanks go out to Carmen Smith who has continued to follow up with her classmates to encourage them to donate. SHSAA will be awarding a scholarship in 2023 to a graduating senior in their class name for winning first place in the challenge.

Second place in the 2022 Class Challenge goes to the Class of 1960 for raising \$8,125 and the Class of 1952 won third place for raising \$4,350.

Thank you to everyone who donated to the Challenge this year. The 2023 Class Challenge is officially open now so make your donations early and get your classmates to participate. It's so easy, just write a check and use the form on this page or make a payment on our website. Just a reminder, Dues, Memorial and other designated donations will not be included in the Class Challenge. A new bonus is available this year if you donate \$500 or more; a Free SHS All Sports Family pass, valued at \$100. You will also receive your name on our donor plaque at the high school and will become a lifetime member of SHSAA.

NOTE: Dues, Memorial and other designated donations (named scholarships) will NOT be included in the Challenge calculation. Donations to the Challenge must be specified with the contribution. The form on this page should be included with your check. Please do not send cash! A tax receipt will be mailed or emailed to you if we have an email address on file, which saves SHSAA on postage costs. SHSAA maintains a 501(c)(3) status.

How Can I be a Class Representative?

By Judy Ernst Nunn

We are often asked about the list of Class Reps in the back of the newsletter. "What do I have to do?" is the most common question.

Relax - there are no "duties". A Class Representative is mainly a contact person for a designated class year.

We would presume that person would be keeping track of classmates in order to make preparations for a reunion at 5, 10 or 20 years. The more often you have

a reunion, the easier it is to keep track of everyone.

It's a great help when the Class Rep is notified by anyone who moves or changes his/her name. And some classes have better luck than others.

In addition to editing the newsletter, I also keep the Alumni database up to date. The Class Reps help by sending me the changes of address for their classmates. This is a constant job. I am always receiving Emails with address changes.

Reunion Preparation:

Most reunions are held after a 5-year period (5, 10, 15, 20, etc.). Each year we concentrate on whatever year ends in a 5-year period from the date of graduation. For instance, for 2022 we mailed complimentary copies of the newsletter to all classes ending in 7 and 2.

We'll send complimentary copies of next June (2023) newsletter to classes ending in 3 and 8. Contact us if your class will have a reunion in 2023.

Let this be a "heads up" to you. Start working on your mailing list now. We suggest you begin with a list from the Alumni Association. Request a class roster, compare it with what information you currently have, and work from there. The Post Office does not forward our newsletters. If one is sent out with a bad address (i.e., to someone who has moved), the newsletter is returned to us at a cost of 67¢. If the move has been within the past six months, the Post Office will provide us with a current address. Many times, however, we pay for the return only to get

it stamped with "Moved - No Forwarding Address" or "FOE" (Forwarding order expired).

So let's work together. Contact me for a Class Roster. Let me help you get a head start on your reunion for next year. If you'd like to check our list, just send an Email to: Nunnjk@comcast.net. Be sure to **put your class year in the subject line**. You may phone me with the request at (503) 390-3816 - leave a message if I'm not home and **PLEASE be sure to leave your area code and phone number** in case I have to contact you.

Wanted! Yearbooks from 1960's, 70's & 80's

There are many Alumni who missed out on the opportunity to purchase a yearbook while in school. There are others who no longer have their yearbooks for various reasons and wish to obtain one. The SHS Alumni Association has a supply of yearbooks for sale, however there are many requests for books that we do not have.

Those requests have been added to a wait list which continues to grow. If you have a yearbook that you no longer want, please consider donating it to the Silverton High School Alumni Association. Donations will be accepted at the alumni office at 303 Oak St., Silverton. We will sell the yearbooks for \$10.00 each with the proceeds to be used for scholarships. Please contact Patti Tischer if you have any questions or wish to be added to a wait list for a yearbook. Email is Patische@aol.com or phone 503-949-4129.

An important note from the Editor:

This space is reserved for our future Class Representatives. We're also looking for others to step up and volunteer for the classes that DO NOT have Class Reps at this time. Find your class in the list above; if there is nobody listed as a Representative for your class, we would like YOU to step up and volunteer.

The job is not difficult. Just ask our Editor for a list of your classmates and compare it with what you have listed for addresses, Email, and phone. You don't have to do this "alone"; ask another classmate to help you keep track of your classmates.

Readers, we ask for each of YOU to notify your Class Rep when you move, change your name or update your email address. The Rep can then notify the Editor of this Newsletter. If you are willing to help your class out, please notify :

Judy Nunn, Editor, at Nunnjk@comcast.net or call her at 503-390-3816.

Class of 1982

By Patti Miles Tischer '82

We celebrated our 40th Class Reunion this past August. We started out our festivities with a few of us attending the SHSAA Scholarship Fundraiser at the Mt. Angel Festhalle. This is always a fun event as we are able to connect with alumni from all classes, while also supporting the Fundraiser for scholarships for graduates. We also met up at Mill Town Pub for a no host social time Friday evening. On Saturday evening we met at The Silverton Elks lodge where conversations were flowing and lots of catching up was happening. It was so nice to see everyone, some that we had not seen since graduation. We had a classmate travel from Virginia and several from around the Pacific Northwest and California. The group surprised me with a beautiful

flower arrangement that was hand-crafted by one of our classmates who owns a florist shop. (I will post a photo on our class Facebook page.) We ended up the weekend on Sunday at classmate John's home for a fantastic BBQ with swimming and lots of conversations. He and his family were amazing hosts and it was such a nice relaxing time. We extend our heartfelt Thanks to the family for their generous hospitality!

The Ladies of '82 are gathering again for their monthly ladies night out. We have a text group and post on the class Facebook page the date and location each month. If you'd like to join the text group, send an email to the class:

Suhsclassof1982@gmail.com.

We had some return mail from our reunion mailing, so if you are in contact with classmates that are not

receiving this newsletter or did not get the reunion mailer this summer, direct them to our class Facebook page: Silverton High School class of 1982 or email address above.

Lastly, I'd like to encourage you to read about the class challenge article in this newsletter for 2023. This is a fun competition between all the classes to see who can donate the most money for scholarships. The top three classes have a named scholarship awarded in their class name. This past year our class was on the list with a few donations from classmates. Donations can be tax deductible, so if you are looking for year-end giving, consider a donation to the Alumni Scholarship fund. Please reach out if you have any questions.
