Fifty Years Since Title IX

By Judy Johnson Lowery

On June 23, 1972 Richard Nixon signed into law the Bill that opened the door for many young women to compete in organized athletics. The Bill, known as Title Nine, is also known as the 'Patsy Takemoto Mink Equal Opportunity in Education Act'. (Patsy Mink was a Representative from Hawaii and it is notable to note that Edith Green, a Representative from Oregon, worked tirelessly with her to get this Bill passed through Congress.) What this did for women's athletics across the nation is reflected in our own local athletics. Our Silverton women have been involved in athletics for many years as is noted in the March 2, 1994 edition of the Silverton Appeal with a photo of the 1910 women's basketball team. In looking through my great aunt's, (Winaona Palmer Hatteberg) Oregon Agricultural College scrapbook, there are several photos of the winning 1914 Silverton girls' basketball team, of which she was a member. After graduating high school she went on to play basketball for OAC. Many of our young women athletes have also gone on to play successfully at the college level. However, in my great aunt's days there was

no Title Nine and that is evident in the fact that the girls did not play at the high school as the men did; they played in the old Opera House which was located at the corner of North Water and Oak Street.

Our Silverton High School women athletes have always distinguished themselves in many sports even before Title Nine. Silverton had a very successful girl's track team that placed 2nd

in District competition in 1971. (Silvertonia, pages 166-167). A lot has changed since Title Nine and in the 1975 Silvertonia, 'Girls' athletic competition at Silverton this fall was expanded.' (Pages 142-143). That year the gymnastics and volleyball teams totaled 36 girls and were coached by Debbie Brandes and Jim Bingham respectively. Then during the 1976-1977 academic school year women's sports added basketball. Coaching the team was Jim Brueckner. That first team ever to compete in league competition closed their

season with a 51-41 win over St. Helens. Under the direction of coach Brueckner that was a year of skill building and learning basketball fundamentals. With that humble beginning, women's sports at Silverton High School began to grow and expand.

A few short years of 'skill building and learning basketball fundamentals' found our young women taking home the state championship in basketball. The

front page of the Silverton Appeal, March 15, 1989, shows a jubilant team celebrating their first place accomplishment with trophy in hand. To add to our women basketball teams accomplishments they once again took the state 3A championship in 1994.

Once again our women were celebrated on the front page of the Silverton Appeal of March 16, 1994 with trophy on hand. Without Title Nine our women would not have been given the benefit of equal treatment that has led our women teams to excellence, not in just basketball, but in all sports. Silverton women have excelled in every area of athletics and most recently the Dance Team has won the 5A State Dance Team Championship!

President’s Message

By Linda Merrill '79

While it may not seem like it based on the weather we have been experiencing lately, summer will be here before we know it and with summer comes the 25th Annual Silverton High School Alumni and Friends Reunion Party! This year’s event will be held at The Festhalle in Mt. Angel on Friday, August 4th, which coincides with the Homer Davenport Community Festival. All SHS Alum, Friends and Family are invited to join us in this fun-filled celebration!

Each year we typically have approximately 200 guests in attendance at the event, which is an amazing turnout. We would like to increase that number this year and are looking for ways to attract ALL alum to the party whether you graduated decades ago or are graduating this year!

To help with this endeavor, we recently sent out a survey asking all alumni a number of questions about attending the event. The responses helped us in planning this year’s party, which includes a few changes we think you will like!

- Many alum indicated that they would like the buffet dinner to be optional. So, we now have a ticket option that includes entry only! With this option, you can come to the party whenever you would like, reconnect with friends and classmates, and enjoy the festivities without the meal and associated expense.

- Music and entertainment are important to many attendees – as a result, we will be offering music for dancing or just enjoying at the party! We will be starting the music well after dinner to allow everyone an opportunity to catch up and mingle beforehand.

- Focus on FUN! While fundraising is an integral part of the Association, we wanted to focus on FUN this year. As a result, while we will be more than happy to accept donations for scholarships at the event, we will be focusing on ensuring everyone has a great time!

On behalf of the planning committee, I encourage everyone to bring their friends and family and join us on August 4th. If you are planning a reunion this year, remember that your class is MORE than welcome to celebrate at the party – certainly will make planning much easier for you! Just reach out to me or any of the Association Trustees and we will make sure you have enough tables and chairs reserved for your group.

Additional information can be found on page 8 included in this newsletter, and we will post updates on our website and Facebook pages over the next few months.

I hope to see you on the 4th!

The classes have really stepped up and planned reunions for not only 2023, but some for 2024! To make it easier for you to find your Class article, there's a list of all of them in a box on page 2.

Our Fundraiser was quite successful last year. We have adjusted the name of our Fundraiser and Reunions. Check our the information on page 8.

In Memoriam

This column is to pay tribute to fellow students and teachers. This is not a “recent” list necessarily. We will print names others have submitted, and the actual recent losses we note from the newspapers and word of mouth.

If you’ve lost a loved one or know of someone who should be listed, please let us know.

Sometimes we receive a note that one is deceased, but no date given. Information should be sent to the Editor of this Newsletter, Judy Nunn, at Nunnjk@comcast.net.

If you would like to help with this very special event, please let us know.

Let's have a great turnout and please start spreading the word to all of our classmates.

*** Class Challenge 2023 ***

You Can Help Send a Fox to College! Donate to the 2023 SHSAA Class

Challenge

By Tracy Duerst

The 2023 Class Challenge is off to an exciting start with the Class of 1967 taking an early lead, adding a serious contender for the Classes of 1952, 1960 and 1961 who have won the previous year's Challenge. It's not too late to get your class involved. If you're a Class Representative, you can help by taking a few minutes to reach out to your classmates. Remind them that they have an opportunity to help pay it forward and make a difference in the lives of Silverton grads from their home town school. If you haven't been contacted by your class rep, you can still donate by sending in your donation using the membership form in this newsletter. You can also donate online by going to our website and selecting the GIVE button at the top.

The 2023 Class Challenge officially began on August 1st, 2022 and so far, has already brought in approximately \$21,000 in donations for scholarships. We are already halfway to the goal of exceeding our record total of \$42,617 for the 2021 Challenge. This year we will be accepting donations for the 2023 Challenge up to 6:30 pm on Friday August 4th to generate some excitement between classes attending the All Class Reunion Party. Winners will be announced later that evening.

If you are required to take a distribution from your IRA this year, you may want to consider a Qualified Charitable Distribution (QCD) donation to the SHSAA 2023 Class Challenge. You can donate

directly from a taxable IRA instead of taking the required minimum distributions, which can lower your taxable income. Contact your IRA custodian or tax advisor for details. Lower taxable income for you and a generous boost to young Foxes wanting to continue their education, a winning combo!

For more details on the Challenge, check out the June and December 2022 articles in the Silverton Alumni News on our website at https://www.shsfoxes.com/newsletter/. Keep updated on the 2023 Challenge by following our Facebook page for more details in the coming months.

NOTE: Dues, Memorial and other designated donations (named scholarships) will NOT be included in the Challenge calculation. Donations to the Challenge must be specified with the contribution. The form on this page should be included with your check. Please do not send cash! A tax receipt will be mailed or emailed to you if we have an email address on file, which saves SHSAA on postage costs. SHSAA maintains a 501(c)(3) status.

How Can I be a Class Representative?

By Judy Ernst Nunn

We are often asked about the list of Class Reps in the back of the newsletter. "What do I have to do?" is the most common question.

Relax - there are no "duties". A Class Representative is mainly a contact person for a designated class year.

We would presume that person would be keeping track of classmates in order to make preparations for a reunion at 5, 10 or 20 years. The more often you have a reunion, the easier it is to keep track of everyone.

It's a great help when the Class Rep is notified by anyone who moves or changes his/her name. And some classes have better luck than others.

In addition to editing the newsletter, I also keep the Alumni database up to date. The Class Reps help by sending me the changes of address for their classmates. This is a constant job. I am always receiving Emails with address changes.

Reunion Preparation:

Most reunions are held after a 5-year period (5, 10, 15, 20, etc.). Each year we concentrate on whatever year ends in a 5-year period from the date of graduation. For instance, for 2022 we mailed complimentary copies of the newsletter to all classes ending in 7 and 2.

Both this newsletter and the June (2023) issue will be sent to those classes ending in 3 and 8. Contact us if your class will have a reunion in 2023.

Let this be a "heads up" to you. Start working on your mailing list now. We suggest you begin with a list from the Alumni Association. Request a class roster, compare it

with what information you currently have, and work from there. The Post Office does not forward our newsletters. If one is sent out with a bad address (i.e., to someone who has moved), the newsletter is returned to us at a cost of 67¢. If the move has been within the past six months, the Post Office will provide us with a current address. Many times, however, we pay for the return only to get it stamped with "Moved - No Forwarding Address" or "FOE" (Forwarding order expired).

So let's work together. Contact me for a Class Roster. Let me help you get a head start on your reunion for next year. If you'd like to check our list, just send an Email to: Nunnjk@comcast.net. Be sure to **put your class year in the subject line**. You may phone me with the request at (503) 390-3816 - leave a message if I'm not home and **PLEASE be sure to leave your area code and phone number** in case I have to contact you.

Attn: Class of '73

By Jean Prebilsky Denny

Hard to believe this year will be our 50th Class Reunion. On Friday, August 4, we will have an informal no host get together at Vitis Ridge Winery on Monitor Road.

Saturday, August 5, we will have the main reunion at the Silverton Elks. We will start the evening at approximately 5 p.m. to eat, drink and share great conversation. There will be a prime rib or chicken dinner and no host bar. We are trying to arrange a tour and photos at the old high school Saturday afternoon.

Details for all events coming soon! Please pass this information

on to our classmates. Any questions, please contact David Castle (740) 312-4692, davidbcastle@gmail.com; Joanie DeSantis Gilbert (503) 504-0666, gilbert050904@gmail.com; or Jean Prebilsky Denny (503) 798-2768, jprebilsky@hotmail.com. We will have more information on our Facebook page – Silverton Union High School Class of '73. Hope to see everyone there!

Class of '62

By Georgie Johnson

SURPRISE! Our annual class of '62 reunion will be held Thursday, Aug. 3, 2023 in Tillamook! Our hostess is Sharon (Van Damme) Schaffer. Gladys (Meighen) Daugherty will be assisting Sharon. Everyone is welcome to bring a potluck item to complete Sharon's pulled pork sandwiches. Expect to spend the better part of the day in the area, perhaps finding a motel in the coastal town for the night! Booking early is a good idea!

Sharon's home is located near the Tillamook Cheese facility, Alderbrook Golf (1 mi. east), Tillamook Air Museum, Cape Meares Lighthouse, and Munson Creek Falls (easy short hike). Close by are Shiloh Inn, among other motels/hotels, and Tillamook Bay City RV Park.

We'll need an RSVP just to let us know if you think you'll be coming, at georgiiris44@gmail.com Or you can text or phone Georgie (503/510-0212). Sharon's email is 44sharon1944@gmail.com. If your email or address have changed, please let Georgie know!

Saturday, Aug. 5th Denny Taylor has offered to provide our "hayride" for the Parade. Details to follow.

The display features dresses showcasing both old and new along with photos from yearbooks from the 1950's and 1960's. There are also flyers promoting the 2023 prom and how to obtain tickets. Thank you to Tracy Miles Duerst and Mary Rankin for providing the dresses used in the display.

For information or ideas, contact Dori Meyer 503-873-6073.

By Patti Miles Tischer '82

I hope you will join myself and other classmates at the Alumni and Friends Reunion Party. It will be held at the Festhalle in Mt. Angel on Friday, August 4, 2023. Details are in this newsletter, page 8. It's always a fun time to connect with fellow Alumni.

A fun way the Alumni Association has been gaining scholarship funds is with the Class Challenge. The three classes with the most donations raised has a Scholarship named for their class year. I have already made my personal donation to start our Class of 1982 in the Challenge. Please consider joining me with a donation. This year's donation form can be found on page 9 of this newsletter.

Be sure we have your contact information so we can keep you up to date on class events. Our class email is: Suhclassof1982@gmail.com and our Facebook page is: Silverton High School Class of 1982. Get in touch if you have any questions. Take care until we see each other again!

An important note from the Editor:

This space is reserved for our future Class Representatives. We're also looking for others to step up and volunteer for the classes that DO NOT have Class Reps at this time. Find your class in the list above; if there is nobody listed as a Representative for your class, we would like YOU to step up and volunteer.

The job is not difficult. Just ask our Editor for a list of your classmates and compare it with what you have listed for addresses, Email, and phone. You don't have to do this "alone"; ask another classmate to help you keep track of your classmates.

Readers: We ask for each of YOU to notify your Class Rep when you move, change your name or update your email address. The Rep can then notify the Editor of this Newsletter. If you are willing to help your class out, please notify:

Judy Nunn, Editor, at Nunnjk@comcast.net or call her at 503-390-3816.

61's CELEBRATE 61 YEARS

By John & Carmen Smith

The Pavilion at Silverton's City Park was rocking on Wednesday August 3 when 32 members and friends of the Class of 1961 got together for our 61st reunion!! We were joined by our honored guests Jack '49 & Kay Hande and Chris Schwab. We enjoyed a surprise visit from Bonnie '66 and Dick '62 Hoblitt who rolled in on his scooter. The day was warm and sunny, the atmosphere was electric with many voices visiting and our class so happy to be together once again. The winner of the drawing for a three night stay at Nelson & Frances Page's condo in Sun River is Bobby Ragon.

The partying continued Friday night as our class joined many other Silverton High School classes at the Mt. Angel Festhalle for our annual

Alumni & Friends gathering. It was wonderful to see so many people from so many different classes and to catch up a bit with classmates we hadn't seen for way too long. John and Carmen Smith were honored by the Alumni as the 2021 Volunteers of the Year.

Thanks to the support of 19 of our classmates, 1961 won the Class Challenge for the second year since the Challenge was started 5 years ago! A deserving SHS 2023 graduating senior will receive a \$1000 scholarship named for our class. Second and third place winners are 1960 and 1952 with scholarships also awarded in their class' names.

The Silverton High School Alumni Association awarded \$101,000 in scholarships to SHS graduates in 2022!! The important work to support qualified SHS grads in their educational endeavors continues.
